GCCS Staff:

Many of you have filed & completed your tax return, which is always a good time to ensure that your W-4 form is correct. As most of you know, the W-4 form dictates the amount in federal taxes that your employer is withholding every payroll. These funds are transferred to the IRS following every payroll, and are held until you file a return the following year. With this communication, I am hoping to clear up some of the confusion around the newer W-4 form. I know it is a lot of information, but it will be worth the investment of time to ensure your taxes are where you want them to be.

In 2018, significant changes occurred with tax laws and the corresponding W-4 form (updated in 2020). For decades, the "old" W-4 form completed by individual employees centered around the number of allowances claimed, along with filing status, so many people became familiar with phrases such as "single claiming 2", or "married claiming 4", etc. The brand new W-4 form, effective January 2020, does not request the number of allowances from an individual. An important thing to remember is that under the revised tax law, allowances have zero tax value. Instead, the new form provides a few new opportunities to better file their withholding status. These improved opportunities include:

- For individuals to more accurately calculate their withholding, based on their filing status (single, married and a new "head of household" filing status)
- The opportunity to increase one's withholding in "2 earner couples",
- Additional opportunities to reduce an employee's federal tax withholding based on child tax, and dependent tax credits (which again are not the same as allowances on the old form), education tax credits, and deductions in excess of the "standard deduction".

In order to ensure that does not surprise you again, please take a few minutes to ensure that your federal tax withholdings are where you want them to be each year.

Here are some steps that I completed myself to ensure my federal tax withholdings were accurate.

IRS Federal Tax estimator:

- 1. Log into Skyward and use the drop down arrow on the home page to click on "Employee Access". Then click "Employee Information" and then "W-4 Information" to determine your current withholding status.
- 2. The IRS provides a tool that calculates how much your federal tax withholding should be, based on a number of questions using this link: https://apps.irs.gov/app/tax-withholding-estimator
- 3. Go back to your Skyward "Employee Information" tab and click "Check History". This will show your latest pay stub, which shows you the gross wages and federal withholdings per pay that the tax estimator requires you to enter. You should also see a button on the "Check History" screen in the far right corner that says, "Show check with YTD Amounts". This will provide the year-to -date amounts that the tax estimator requires you to enter.
- 4, Once you answer all of the questions in the tax estimator tool, it will provide an estimated tax refund, or tax owed. Use this information to determine how to revise your W-4, if needed.

W-4 Tips:

- 1. Step 2 is VERY important. If you have multiple jobs, OR if your spouse also works, pay close attention to this section. Most married couples that have either one or both spouses on the new form, likely need to check the box. The most common scenario is for a couple who is married and filing jointly. When the wages are combined on a tax return, it often elevates both sets of earnings to a higher tax bracket. If you are not considering this in your withholdings, then it is likely that you will owe taxes at the end of the year. Therefore, if your spouse works, you may need to check Box 2(c) and have your spouse do the same on their W-4. If you both have similar wages, this should be enough. If one wage is significantly higher, you may also have to request extra withholdings in Step 4(c) on the W-4 form. If your spouse has more than 1 job, Page 3 of the W-4 form has a multiple jobs worksheet that will guide you through that scenario.
- 2. Step 3 See instructions at the end of Step 2. For those filing married, you should only complete Steps 3 & 4 on one W-4, which is the higher paying job. If you are married, only claim dependents in Step 3 on either your W-4, OR your spouse's W-4, but <u>not both</u>.
 - Enter the number of dependent children who will be less than 17 years of age as of 12/31/2022, and multiply by the child tax credit amount of \$2,000 per child. Then, enter the number of "other dependents" who are children 17 or over and others who you claim as dependents (parents, nieces you support, foster children, etc.), and multiply by \$500. Please note that both of these are tax <u>credits</u> and not tax *allowances*. <u>Tax credits</u> reduce your tax liability, dollar-for-dollar.
- 3. If you prefer to see a refund on your federal taxes, make sure you use the federal tax estimator to determine how much extra withholding you should record on Step 4(c) of the W-4.

If you need to make changes to your W-4, the form is attached. If you have questions, please reach out to **Ashley Forsee** at ext. 50152, or <u>aforsee@gccschools.com</u>. If you would like to turn in your revised form, please send to Whitney Connell at <u>wconnnell@gccschools.com</u>. or send to HR via the pony.

Please note that I am not a tax accountant. We CANNOT advise you on your personal tax situation, but I'm hoping that the tips above will help. If your taxes are more complicated than this, I would recommend that you consult with an accountant who can advise on how to complete your W-4.

Future Developments

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to www.irs.gov/FormW4.

Purpose of Form

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

Exemption from withholding. You may claim exemption from withholding for 2025 if you meet both of the following conditions: you had no federal income tax liability in 2024 and you expect to have no federal income tax liability in 2025. You had no federal income tax liability in 2024 if (1) your total tax on line 24 on your 2024 Form 1040 or 1040-SR is zero (or less than the sum of lines 27, 28, and 29), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2025 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 17, 2026.

Your privacy. Steps 2(c) and 4(a) ask for information regarding income you received from sources other than the job associated with this Form W-4. If you have concerns with providing the information asked for in Step 2(c), you may choose Step 2(b) as an alternative; if you have concerns with providing the information asked for in Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c) as an alternative.

When to use the estimator. Consider using the estimator at *www.irs.gov/W4App* if you:

- 1. Are submitting this form after the beginning of the year;
- 2. Expect to work only part of the year;
- Have changes during the year in your marital status, number of jobs for you (and/or your spouse if married filing jointly), or number of dependents, or changes in your deductions or credits;
- 4. Receive dividends, capital gains, social security, bonuses, or business income, or are subject to the Additional Medicare Tax or Net Investment Income Tax; or
- 5. Prefer the most accurate withholding for multiple job situations

TIP: Have your most recent pay stub(s) from this year available when using the estimator to account for federal income tax that has already been withheld this year. At the beginning of next year, use the estimator again to recheck your withholding.

Self-employment. Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay these taxes through withholding from your wages, use the estimator at www.irs.gov/w4App to figure the amount to have withheld.

Nonresident alien. If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Specific Instructions

Step 1(c). Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

Step 2. Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work. Submit a separate Form W-4 for each job.

Option (a) most accurately calculates the additional tax you need to have withheld, while option (b) does so with a little less accuracy.

Instead, if you (and your spouse) have a total of only two jobs, you may check the box in option (c). The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

Multiple jobs. Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include other tax credits for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

Step 4 (optional).

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2025 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

Step 4(c). Enter in this step any additional tax you want withheld from your pay **each pay period**, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

Form W-4 (2025)

Step 2(b) - Multiple Jobs Worksheet (Keep for your records.)

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on **only ONE** Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job. To be accurate, submit a new Form W-4 for all other jobs if you have not updated your withholding since 2019.

Note: If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables; or, you can use the online withholding estimator at www.irs.gov/W4App.

1	Two jobs. If you have two jobs or you're married filing jointly and you and your spouse each have one job, find the amount from the appropriate table on page 4. Using the "Higher Paying Job" row and the "Lower Paying Job" column, find the value at the intersection of the two household salaries and enter that value on line 1. Then, skip to line 3	1	\$
2	Three jobs. If you and/or your spouse have three jobs at the same time, complete lines 2a, 2b, and 2c below. Otherwise, skip to line 3.		
	a Find the amount from the appropriate table on page 4 using the annual wages from the highest paying job in the "Higher Paying Job" row and the annual wages for your next highest paying job in the "Lower Paying Job" column. Find the value at the intersection of the two household salaries and enter that value on line 2a	2a	\$
	b Add the annual wages of the two highest paying jobs from line 2a together and use the total as the wages in the "Higher Paying Job" row and use the annual wages for your third job in the "Lower Paying Job" column to find the amount from the appropriate table on page 4 and enter this amount on line 2b	2b	\$
	c Add the amounts from lines 2a and 2b and enter the result on line 2c	2c	\$
3	Enter the number of pay periods per year for the highest paying job. For example, if that job pays weekly, enter 52; if it pays every other week, enter 26; if it pays monthly, enter 12, etc	3	
4	Divide the annual amount on line 1 or line 2c by the number of pay periods on line 3. Enter this amount here and in Step 4(c) of Form W-4 for the highest paying job (along with any other additional amount you want withheld)	4	\$
	Step 4(b) – Deductions Worksheet (Keep for your records.)		
1	Enter an estimate of your 2025 itemized deductions (from Schedule A (Form 1040)). Such deductions may include qualifying home mortgage interest, charitable contributions, state and local taxes (up to \$10,000), and medical expenses in excess of 7.5% of your income	1	\$
2	Enter: • \$30,000 if you're married filing jointly or a qualifying surviving spouse • \$22,500 if you're head of household • \$15,000 if you're single or married filing separately	2	\$
3	If line 1 is greater than line 2, subtract line 2 from line 1 and enter the result here. If line 2 is greater than line 1, enter "-0-"	3	\$
4	Enter an estimate of your student loan interest, deductible IRA contributions, and certain other adjustments (from Part II of Schedule 1 (Form 1040)). See Pub. 505 for more information	4	\$
5	Add lines 3 and 4. Enter the result here and in Step 4(b) of Form W-4	5	\$

Instructions for Completing Form WH-4

This form should be completed by all resident and nonresident employees having income subject to Indiana state and/or county income tax.

Print or type your full name, Social Security number or ITIN and home address. Enter your Indiana county of residence and county of principal employment as of January 1 of the current year. If you neither lived nor worked in Indiana on January 1 of the current year, enter 'not applicable' on the line(s). If you move to (or work in) another county after January 1, your county status will not change until the next calendar year. Please check the box if you are requesting a change to a county of residence or work for the next calendar year.

Nonresident alien limitation. A nonresident alien is allowed to claim only one exemption for withholding tax purposes. If you are a nonresident alien, enter "1" on line 1, then skip to line 9. You are considered to be a nonresident alien if you are not a citizen of the United States and do not meet the green card test and the substantial presence test (get Publication 519 from www.irs.gov for information about these tests).

All other employees should complete lines 1 through 8.

Lines 1 & 2 - You are allowed to claim one exemption for yourself and one for your spouse (if he/she does not claim the exemption for him/herself). If a parent or legal guardian claims you on their federal tax return, you may still claim an exemption for yourself for Indiana purposes. You cannot claim more than the correct number of exemptions; however, you are permitted to claim a lesser number of exemptions if you wish additional withholding to be deducted.

Line 3 - Dependent Exemptions: You are allowed one exemption for each of your dependents based on state guidelines. To qualify as your dependent, a person must receive more than one-half of his/her support from you for the tax year and must have less than \$4,400 gross income during the tax year (unless the person is your child and either (1) is under age 19 or (2) is under age 24 and a full-time student at a qualified educational institution during at least 5 months of the tax year).

Line 4 - Additional Exemptions. You are also allowed one exemption each for you and/or your spouse if either is 65 or older and/or blind.

Line 5 - Add the total of exemptions claimed on lines 1, 2, 3, and 4. Enter the total in the box provided.

Line 6 - Additional Dependent Exemptions. An additional exemption is allowed for certain dependent children that are included on line 3. The dependent child must be a son, stepson, daughter, stepdaughter, foster child, and/or child for whom you are a legal guardian. The dependent must be under age 19 or must be both under age 24 and a full-time student at a qualified educational institution during at least 5 months of the taxable year.

Line 7 - First-time Claimed Additional Exemption. If an additional dependent exemption on Line 6 is being claimed for one or more children for the first time, enter the number of children for whom you are claiming. This exemption is good only for the calendar year in which the WH-4 claiming the exemption is submitted. If you claim this in multiple tax years, you MUST submit a new WH-4 each year for which this exemption is claimed. Do not claim this exemption if the child was eligible for the additional dependent exemption in any previous year, regardless of whether the exemption was claimed. This includes instances where the child was eligible for the additional dependent exemption before 2023. This also includes instances where the child was eligible to be claimed for the additional dependent exemption by another individual.

Line 8 - Additional Adopted Dependent Exemptions. An additional exemption is allowed for certain dependent children that are included on lines 3 and 6 and have been adopted by you or your spouse. The dependent child must be a son, stepson, daughter, or stepdaughter. The dependent must be under age 19 or must be both under age 24 and a full-time student at a qualified educational institution during at least 5 months of the taxable year.

Lines 9 & 10 - If you would like an additional amount to be withheld from your wages each pay period, enter the amount on the line provided. **NOTE:** An entry on this line does not obligate your employer to withhold the amount. You are still liable for any additional taxes due at the end of the tax year. If the employer does withhold the additional amount, it should be submitted along with the regular state and county tax withholding.

You may file a new Form WH-4 at any time if the number of exemptions **increases**. You must file a new Form WH-4 within 10 days if the number of exemptions previously claimed by you **decreases** for any of the following reasons:

- (a) you divorce (or are legally separated from) your spouse for whom you have been claiming an exemption or your spouse claims him/herself on a separate Form WH-4;
- (b) someone else takes over the support of a dependent you claim or you no longer provide more than one-half of the person's support for the tax year; or
- (c) a dependent no longer qualifies for an additional dependent or an adopted dependent exemption.

Penalties are imposed for willingly supplying false information or information which would reduce the withholding exemption.

Greater Clark County Schools Internet and Network Employee Acceptable Use Agreement

Access Release and Authorization Form

Greater Clark County School Corporation is pleased to offer its employees access to the Internet, an electronic information highway connecting computers and users all over the world. This computer technology is provided for a limited educational purpose, to allow students and employees to conduct research and to facilitate professional communication both within the corporation and between employees and other professionals outside the corporation.

Employees should be aware that some material accessible via the Internet might contain items that are illegal, defamatory, inaccurate or potentially offensive to some people. In addition, it is possible to purchase certain goods and services via the Internet, which could result in unwanted financial obligations for which an employee may be liable.

While Greater Clark County School Corporation's intent is to make Internet access available in order to further educational goals and objectives, employees and students may find ways to access other materials as well. Even if the Corporation institutes technical methods or systems to regulate students' Internet access, those methods may not guarantee compliance with the Corporation's Acceptable Use Policy. Nevertheless, the Corporation believes that the benefits to employees and students of access to the Internet exceed any disadvantages.

Employees should understand that access is a privilege, not a right, and that any user identified as a security risk or having a history of security breaches on this or other computer systems will be denied access to this network. Security software will be installed on all computers that are connected to the network and to areas where student access is possible. Staff members who have been entrusted with the building security password are expected to use the information responsibly and to keep the information confidential at all times. An act of intentionally circumventing the security software may be viewed as grounds for disciplinary action.

I have read and understand the **Greater Clark County Schools Telecommunications Services Acceptable Use Policy**. I agree to comply with the policy, standards, rules and guidelines contained therein and any other directives or guidelines of school staff. I understand that if I violate the rules, I may face disciplinary action.

I hereby release the district, its personnel, and any institutions with which it is affiliated from any and all claims and damages of any nature arising from my use of, or inability to use, the Greater Clark County Schools Corporation information system, including but not limited to claims that may arise from the unauthorized use of the system to purchase products or services.

What you need to know:

- **Are you eligible?** Benefits are available to employees who are actively at work on the effective date of coverage and working the minimum number of hours per week stated in the contract.
- Your premiums and benefits may vary. Actual premiums and benefit amounts will be calculated by OneAmerica and may change upon reaching certain ages, according to contract terms, and are subject to change. Volumes and benefit amounts shown may be subject to reductions due to age.
- Enroll timely for guaranteed issue coverage. You may be eligible for coverage without having to answer any health questions if you enroll during the initial enrollment period when benefits are first offered by OneAmerica®, or if you enroll as a newly hired employee within 31 days after any applicable waiting period.
- Enrolling later requires approval. If you decline coverage now, you will lose your only chance to apply for group insurance coverage without having to first undergo medical underwriting. If you decide to enroll later, you will need to submit a Statement of Insurability form for review. OneAmerica will then decide to approve or deny your coverage based on your health history. You may not be approved for any type of coverage at a later date if you have any current or future medical conditions.

What you need to do:

- Carefully review the contents of this packet. Enclosed is personal information about the benefits offered to you by OneAmerica on behalf of your employer. This is your opportunity to learn more about group insurance from OneAmerica, but it is not a complete explanation of benefits. For more information, consult the contract about exclusions, limitations, reduction of benefits, and terms under which the contract may be continued in force or discontinued.
- **Review the Notices and Limitations.** Visit www.employeebenefits.aul.com to find the Notices and Limitations, G-14320 (05 NonPrudent) 12/28/12. Go to Forms, Policy/Employee Admin, and Notices and Limitations.
- Submit your enrollment form. Please return your completed enrollment form to your employer.

Note: Products issued and underwritten by American United Life Insurance Company® (AUL), a OneAmerica company. Not available in all states or may vary by state.
