SCHOOL SONG

“Fight on New Washington our team will win
 Fight to the finish, never give in
 You do your best boys/girls; we’ll do the rest boys/girls
 Fight on New Washington High
 Oh, when New Washington Mustangs fall in line
 We’re going to win this game right on time
 For the NWHS I love so well
 And for the school of schools I’ll yell, I’ll yell, I’ll yell.
 We will fight, fight, fight for every man
 And let those (opposition nickname) beat us if they can
 For we will win this game right on time, right on time
 Rah, Rah, Rah”

ACADEMIC INFORMATION

COLLEGE AND CAREER READINESS INITIATIVE

Our mission is to assure that every student graduates with an acceptance to a post-secondary opportunity. In order to meet that goal, students must not only have academic skills, but also the soft skills necessary to succeed in their chosen post-secondary setting. Through our College and Career Readiness Initiative, students and their families have access to Standard for Success Graduation Pathways, a web-based program that helps students manage their college and career search. As early as 6th grade, students are exposed to the four pathways based on career interest: Business & Entrepreneurship, Engineering & Manufacturing, Health Service, or Public Service. In grades 9-12, students are provided with multiple opportunities to explore post-secondary opportunities, including Classroom Guest Speakers, College Visits, Career Focused Field Trips, Job Shadows, and Career/College Fairs. During the student's senior year, they also have the opportunity to gain work experience through our Work Based Learning Internship Program. For additional information, contact Jill Sceifers, Academy Coach.

CREDIT RECOVERY

The credit recovery program is computer based and individualized. A student is recommended by the high school administration and must be approved prior to admission.

GRADING

Grades are given for each class a student is enrolled in as a representation of a student's knowledge and achievement in that class. The final determination of a student's grade lies with the teacher who will justify each grade by means of scores and results from varied learning experiences based on the GCCS policy of 70% of the final grade derives from assessments and 30% of the final grade derives from assignments. Grades will not be changed after they have been given unless an error has been made.

Grading Scale

Weighted Factor for Academic Programs

A “weighted” factor will be added to each identified Honors and Advanced Placement course. The weight is not scaled to a grade for the course, but is simply added to the final grade provided the student has earned credit for the course. If a student is in a combined Honors and Advanced Placement course, the weight will be applied to the course title under which the student enrolled. Advanced Placement credit will be awarded only if the student sits for the AP test in the applicable course.

Weighted Factor: All Honors courses--- 1.0 All AP courses--- 2.0

GRADUATION AND DIPLOMAS REQUIREMENTS

Each student must pass specific **required** courses in order to graduate. All students should select other courses (**electives**), which are needed for career and/or post-secondary education. Students should always consult with their counselor and parents when selecting these courses.

New Washington Middle/High School currently offers the Indiana Core 40, Indiana Academic Honors, Indiana Technical Honors, and General Diplomas which are endorsed by the IDOE. Beginning with the class of 2029, the New Indiana Diploma and six honors seals will also be offered. Questions and/or concerns regarding any program of studies should be directed toward the student's academy counselor. The NWMHS course description guide outlines the diploma requirements, courses offered and program information.

GRADUATION EXERCISES - HIGH SCHOOL

Each spring, near the conclusion of the school year, commencement services are held for the graduating class. To be eligible to participate, students must have completed all necessary GCCS graduation requirements and meet the Indiana Graduation standards.

Please remember that it is a privilege, not a right, to participate in the graduation ceremony or other celebratory events. Any violation of the rules set out in this handbook, contained in the Students Rights and Responsibilities Handbook, or state law could result in losing the privilege to participate in one or more of these ceremonies.

Students who will have completed seven semesters and met all other requirements for graduation may graduate at mid-term of their senior year if they apply to graduate early. The intent of a senior to graduate at mid-term should be declared when the student registers for his/her senior year.

GUIDELINES FOR RETAKING A COURSE

Charlestown High School recognizes that there may be times when it is in the best interest of a student to re-take a specific course. The guidelines for re-taking a course are as follows: Only a course when a student receives a grade below a “C” can be repeated. Additional credit for re-taking the class will not be given. **Both grades** will be counted when calculating the student’s grade point average. This aligns with the Indiana Department of Education Guidelines for determining eligibility for the Indiana Academic Honors Diploma.

IMPACT PERIOD

Impact is a nontraditional class that meets daily. The purpose is to develop, support, and enrich skills a student needs for success. Topics will focus on remediation for Tier 2, 3 students, and the development of reading and college testing for Tier 1 students.

SCHEDULING AND ASSIGNMENT

Schedules are provided to each student at the beginning of each semester or upon enrolling. The schedule is based upon the student’s needs and available class space. New Washington Middle/High School has a 7 period day. All students attending New Washington Middle/High School are required to have a full schedule of classes (7 classes). Any changes in a student’s schedule should be handled through their Guidance Counselor. It is important to note that some student requests to take a specific course may be denied. Students are expected to follow their schedules. Any variation must be approved, and the student’s schedule must be officially changed.

SCHEDULE CHANGES

Once a student has turned in his/her Course Request for a school year, as approved by parents and guidance counselors, the student is expected to honor their chosen courses. Course schedule changes will be made in the first ten days of the semester. On the 10th day of classes each semester, all students’ course schedules will be made FINAL. Any course dropped after the drop/add period will be posted on the student transcript as a “WF”. Course schedule changes will be made only under the following conditions:

1. Student will obtain a Course Schedule Change Form from the office which must be signed by the parent, teacher, and guidance counselor.
2. Schedules may only be changed because of an error in the schedule, failure of a previous course, or administrative approval.

ATTENDANCE INFORMATION

ATTENDANCE

Daily attendance of all students who are enrolled in the Greater Clark County Schools is required in accordance with state law and corporation policy. Students are expected to attend school regularly in order to derive maximum benefits from the instructional program. The responsibility for regular school attendance by a student rests with the student and his/her parent or legal guardian.

In an effort to meet one of the Other Indicators for Annual Yearly Progress students must maintain a ninety-five percent (95%) attendance rate. Students who fail to meet these criteria are subject to the disciplinary procedures.

When absenteeism noticeably affects a student's academic or personal success, and/or is in violation of either state law or school board policy, school personnel shall take such action as is deemed appropriate, including but not limited to the following: counsel with students and parents; require written statements from parents or guardians documenting the need/reason for the absence; meet with probation officer; assign in-school suspension, out-of-school suspension and/or detention after school hours; recommend expulsion; or, initiate legal proceedings against students and parents.

A parent/guardian must notify the school if the student is going to be absent, tardy, or will be leaving school early for an appointment. Parents are expected to call the school on the day of absence by 10:00a.m. (one call for an extended absence is sufficient). A message may be left by calling 812-293-3368 and entering extension 19213 or by selecting 1 for attendance. Parents unable to call on the day of the absence **MUST** call the school the next school day. If a call is not made to verify the absence the next school day, the absence will be considered an **unexcused absence**.

ABSENTEEISM CONSEQUENCES

School personnel will make reasonable attempts to notify parents when an absence has not been verified within the allotted time; however the law is clear; it is the parent's responsibility to notify the school of student absences.

Action required for excessive absences:

- A. When a student has been absent (unexcused) a total of five (5) days in a school year, the principal or his/her designee shall mail a Letter of Notice and contact the parent/guardian to set up a conference.
- B. When a student has been absent (unexcused) a total of ten (10) days in a school year, the principal or his/her designee shall mail a Letter of Notice to the parent/guardian. At this point, all future absences must be documented with a doctor's note or other appropriate documentation within two days of the child's return to school.
- C. When a student has been absent (unexcused) a total of fifteen (15) days in a school year, the principal or his/her designee will send the First Legal Notice to the parent/guardian.
- D. When a student has been absent (unexcused) a total of twenty (20) days in a school year, the principal or his/her designee will send the Final Legal Notice to the parent/guardian. The administrator will complete a Truancy Affidavit and refer student to the truancy advocate. In addition, a report will be made to the Department of Child Services for students in grades K-8.

Special Note about Prom:

Students who accumulate 10 or more unexcused/undocumented/ unverified absences may not be permitted to attend prom.

ABSENCE DEFINITIONS

Absences from school will be counted as half days or full days per state code and will fall into one of five categories:

1. Exempt
2. Excused
3. Truancy
4. Unexcused
5. Out of School Suspension

1. **Exempt Absences** are absences from school, class or assigned activity which are exceptions to the compulsory attendance law and which are not reported or recorded as absences. These include:
 - A. Servicing as a page or honoree of the Indiana general assembly (IC 20-33-2-14)
 - B. Serving on the precinct election board or as a helper to a political candidate or party on the date of a municipal, primary or general election (IC 20-33-2-15)
 - C. Subpoenaed to testify in court (IC 20-33-2-16)
 - D. Serving as an active duty member of the armed forces, including the National Guard for at least 15 days in a school year (IC 20-33-2-17)
 - E. Serving with the Civil Air Patrol for up to 5 days (IC 20-33-2-17.2)
 - F. The student or a member of the student's household exhibits or participates in the Indiana State Fair for educational purposes. The student must be in good standing as determined by the Corporation. Parents must request the absence in writing, it must be approved in writing by the principal, and it may not exceed five (5) days. (IC 20-33-2-17.7)
 - G. The student participates in a scheduled competition, exhibition or event offered by the National FFA Organization, Indiana FFA Association or 4-H Club (IC 20-33-2-17.8)
2. **Excused Absences** are defined as absences from school, class or assigned activity for one of the following verified reasons:
 - A. Personal illness that involves fever, vomiting, diarrhea, accidents, injuries, or other illnesses that is communicated to the school by parent or guardian.
 - B. Medical or dental appointments with documentation that cannot be scheduled outside of the school day.
 - C. Death of immediate family member or other relative.
 - D. Religious observances. Advance notification of the principal or his/her designee by parent/guardian and church official is required for approval.
 - E. Other extenuating circumstances that will be determined by the principal in advance of the absence.
3. **Truancy** is defined as absence from school, class, or assigned activity without the permission of parent/legal guardian or principal/designee. A student will also be considered truant if he/she leaves a class, a school-sponsored activity and/or the school without the proper permission of school authorities. In dealing with truancy, the term "instance of truancy" shall be used. This term defines a period of truancy that may vary in length. For example, two consecutive days could be an "instance of truancy."

CONSEQUENCES RELATED TO TRUANCY

1. Invalidation of Driver's License or Learner's Permit
 - A. See GCCS Student's Rights and Responsibilities
2. In addition to the above provisions from the state, the school may issue consequences.

HABITUAL TRUANT

Indiana Code 9-24-2-1 provides that the bureau of motor vehicles shall suspend the driving privileges or invalidate the learner's permit of any individual who is at least fifteen (15) years of age and less than eighteen (18) years of age

and is determined to be an habitual truant under Indiana Code 20-33-2-11.

Indiana Code 20-33-2-11 provides that the bureau of motor vehicles, after receiving the following information from the school corporation, may not issue a driver's license or a learner's permit to drive a motor vehicle until the individual is eighteen (18) years of age if the individual who is at least fifteen (15) years of age and less than eighteen (18) years of age is a habitual truant under this section. Such persons are entitled to a periodic review as provided for in this section.

4. **Unexcused Absence** is defined as absence from school, class or assigned activity without proper parent communication, written documentation from medical or legal provider, or is not defined by one of the excused or exempt absence categories.
5. **Out-of-School Suspension** is defined as exclusion from all school classes and school sponsored activities for one to ten days. It may be assigned if a student has violated applicable sections of the Greater Clark County Schools' [Student Rights and Responsibilities Handbook](#) or Indiana law.

ATTENDANCE INCENTIVES

Although all students are expected to be at school each day, we feel it is important to reward and acknowledge those students whose attendance is exemplary. We have several programs that recognize these efforts. Some combine a student's attendance with their academic achievement while others just reward their attendance efforts.

CLOSED CAMPUS

NWMHS is a closed campus and a student may not leave school at any time without permission from Administration and parent. Students are **not** allowed to leave for lunch.

COLLEGE VISITS

A college visit will be considered an excused absence if verification is brought from the institution on their letterhead along with the students name and date listed.

EARLY DISMISSAL/SIGN-OUT PROCEDURE

Students may leave prior to dismissal time **ONLY WITH** permission from parent or guardian. The parent or guardian must do one of the following two choices to have their student released.

- If the student does not drive the parent or guardian must come to the school attendance office to personally request the release. **To ensure the safety of our students, anyone who is coming to the school to pick up their student must show identification.**
- Parent or guardian must call the main office.

FAMILY TRIP/VACATIONS

Vacations during school time are discouraged. Days missed for vacation are absences and fall under the Greater Clark Attendance Policy guidelines.

HOMEWORK (MAKE-UP WORK) FOR ABSENCES

The responsibility of verifying absences rests with the parent and the student.

1. A student who has been absent must initiate the request for make-up work upon his/her return to class and the teacher has the option to offer an alternative assignment if the original assignment is difficult to replicate.
2. If an assignment or graded activity was announced before the absence, the student is still responsible for the work due.
3. In the case of OSS, the student will be given the number of school days the suspension is assigned after return to make up work missed.

Homework for Extended Absences- Students may e-mail his/her teacher for make-up work.

LEAVING THE BUILDING FOR SCHOOL RELATED PURPOSES

New Washington Middle/High School maintains a closed campus, and students are to remain inside the building except when directed by a school official. If a student needs to leave the building, he or she must sign out through the Front Office.

Vocational students attending Prosser must arrive and depart NWMHS at the designated areas and times. In the event that a student is unable to attend AM or PM Prosser, the parent/guardian **must** call the attendance office at NWMHS, and the student **must** sign in and/or out with an attendance clerk to avoid being marked absent.

Students may not leave the school without school and parental consent for school-related activities such as class or club responsibilities, field trips, etc.

Only students with approved permission slips will be allowed to drive to Prosser, internships or other learning experiences as part of their school curriculum. All other students must use school provided transportation. This includes all vocational programs, exploratory teaching, School to Work, as well as any other program that may require, or allow, a student to transport himself /herself to an off-campus site.

PROCEDURES FOR SIGNING IN & OUT OF SCHOOL

A parent or guardian must call attendance personnel (812-293-3368 ext. 19213) or appear in person to sign a student out of school. Please leave a message of voice mail, if we are unable to answer immediately.

Acceptable reasons for signing in or out of school include illness, family emergencies, doctor or dental appointments that cannot be scheduled after school hours, funerals, legal appointments, or other reasons covered in the exempt and excused absence explanation. Written verification must be provided within 48 hours when signing in or out for appointments. The documentation must be signed by the provider and/or representative. All other reasons for leaving the building must also be approved.

Students arriving to school late or leaving early must sign-in or sign-out through the Front Office.

Whenever a student arrives late to school (whether arrival time is during the first class of the day, throughout the day, or the last class of the day), the student must report to the Main Office to sign in to school and to receive an **admittance pass** to class. A student who arrives late to school is not allowed to enter class without the proper admittance pass from the office. Also, if the late-to-school student misses **5 minutes or more** of class, the student is **additionally considered absent** from that class. Students who arrive late to school with proper documentation will not be counted late to school or tardy.

If a student is more than 5 minutes late to first period it is considered a late arrival and the student is required to sign-in. Habitual late arrivals/sign-ins will result in school consequences.

SICK AT HOME

- **Fever:** Return when fever free for 24 hours (without requiring the use of fever reducing medications)
- **Diarrhea and/or vomiting:** Return 24 hours from last episode of vomiting/diarrhea
- **Pink eye or other bacterial infection:** Return 24 hours after start of antibiotics
- **Other:** If you are unsure if your child has an illness that may be contagious to others, please reach out to their healthcare provider for return to school guidance.

SICK AT SCHOOL

Generally, your child will be sent home if he/she shows any of the following: elevated temperature (100.0+), respiratory symptoms, vomiting, pain in chest or stomach, fainting, injury, any condition meriting doctor review - pink eye, unexplained rash or redness, pediculosis (head lice)/bed bug infestation, diarrhea, etc. Students should be fever-free for 24 hours prior to returning to school for the safety of all students. In the event that we cannot reach the parent/guardian the school will begin contacting the student's listed emergency contacts in PowerSchool. Please make sure that the home, cell and work phone numbers of parents and emergency contacts are kept up-to-date in PowerSchool. Please contact the office if any of these change during the school year.

TARDY POLICY

A tardy is defined as a student not being in his/her assigned classroom when the bell rings. This policy will be enforced in every classroom and through the Front Office for those late to first period. Students reporting to class five minutes after the period has started without a signed pass will be counted as absent/truant and not admitted to class.

It is expected that students arrive to class on time. Multiple tardies will result in school consequences.

1. **Excused Tardies** are defined as late sign-ins or early sign-outs with proper documentation of:
 - a. Personal illness that involves fever, vomiting, diarrhea, accidents, injuries, or other illnesses that is communicated to the school by parent or guardian.
 - b. Medical or dental appointments with documentation that cannot be scheduled outside of the school day.
 - c. Death of an immediate family member or other relative.
 - d. Religious observances. Advanced notification of the principal or his/her designee by parent/guardian and church official is required for approval.
 - e. Other extenuating circumstances that will be determined by the principal in advance of the absence.
2. **Unexcused Tardies** are defined as a late sign-in or an early sign-out from school, class, or assigned activity without written documentation from a medical or legal provider, or other highly extenuating circumstances that will be determined by the principal in advance of the tardy.

DISCIPLINE INFORMATION

STUDENT BEHAVIOR STANDARDS

We ask that students and parents read and become familiar with the rights and responsibilities listed in the student handbook. Although the student handbook covers some specific items related to behavior and reasonable expectations thereof, it does not and is not intended to cover every possible situation. We urge you to also become familiar with the Greater Clark County Schools Students Rights and Responsibilities handbook and student discipline policy as it provides additional expectations not specifically covered in the NWMHS student handbook.

DISCIPLINE POLICY (CONSEQUENCES)

The intent of New Washington Middle/High School's discipline policy is for **the safety, protection and best interest of all students who attend our school, not punishment**. However, there are times when disciplinary measures are needed and required by law. This section gives a general summary of the actions and consequences when disciplinary measures are needed and required by law. Below actions are a guideline and do not have to be sequential. **Changes will be made per Administration discretion and severity of action by student.**

1. **Teacher/Principal Verbal Warning**
2. **Teacher removal from class**
3. **Detention**
4. **Lunch Detention**
5. **Friday Evening School**
6. **In School Suspension**
7. **Out of School Suspension**
8. **Alternative Education Program**
9. **Expulsion**

Lunch Detention

Administrators may assign a lunch detention to be served during the next possible lunch. Students will sit at an assigned table outside of the lunch room.

In-School Adjustment Period (ISAP)

In the event that a student continues to misbehave or disrupt teaching and learning, a teacher may ask the student to leave the room immediately so that the educational process may continue. The student who has been dismissed will report to the ISAP room for the remainder of the period. He or she will rejoin instruction in the very next class, provided the student is ready to return to the classroom.

ISAP GUIDELINES

- Student must bring educational materials to ISAP Room.
- No sleeping or talking allowed.
- Excessive disruption, misbehavior or failure to follow directive of monitor will result in OSS.
- Four assignments to ISAP by a teacher will result in all day in-school suspension.

In-School Suspension (ISS)

A student is not allowed to attend classes for the length of the suspension and will report to the ISS Room. If misbehavior occurs while in ISS immediate suspension will result.

ISS GUIDELINES

- Student must bring all textbooks to ISS Room.
- No sleeping or talking allowed.
- Excessive disruption, misbehavior or not following directive of monitor will result in OSS.

Out of School Suspension (OSS)

OSS is defined as exclusion from all school classes and school sponsored activities for one to ten days. It may be assigned if a student has violated applicable sections of the Greater Clark County Schools' *Student Rights and Responsibilities Handbook*. Upon the 2nd suspension during the school year, the Indiana Bureau of Motor Vehicles may be notified and permits or drivers licenses will be withdrawn (IC 9-24-2-1).

Parents or guardians will be notified in writing of the action taken. Students are not to be on school property or attend or participate in extra-curricular activities during the suspension period. The student will be counted absent from school, but the days will not be counted into the total of excessive absences. A student may be required to bring his/her parents in for a conference in order to be readmitted to school.

If a student is suspended, the student is required to complete all assignments and school work assigned during the period of the student's suspension. The principal or the principal's designee shall ensure that the student receives notice of any assignments or school work due and teacher contact information in the event that the student has questions regarding the assignments or schoolwork. The student shall be allowed to make up missed tests or quizzes when the student returns to school.

Expulsion

An expulsion is a disciplinary action that causes a student to be separated from school attendance for more than ten days, or suspended from attending school for at least one school year. This would prevent a student from completing in the normal time his/her overall courses of study in any school in the school corporation. In addition, a student would face the temporary loss of their driver's license/permit per Indiana law

DRUGS, TOBACCO, ALCOHOL

The Board of School Trustees promotes drug and smoke-free schools for all students. Considering the health dangers involved and other negative consequences of tobacco, alcohol and other drug use, our school system promotes enforcement of drug-free policies.

While it is clear that most youth do not use drugs, a policy is necessary for the students who do. It is also acknowledged that students who are using or abusing alcohol, tobacco, or other drugs may need professional assistance to become drug free. Consequently, this policy will afford them the opportunity for voluntary enrollment in a program designed to help them become alcohol, drug, and/or tobacco free.

ALCOHOL OR OTHER DRUGS

- A. If a student possesses, handles, transmits or is under the influence of any narcotic drug, hallucinogenic drug, amphetamine, barbiturate, marijuana, alcoholic beverage or intoxicant of any kind (including look-alikes) on school property or at a school function, he or she will be suspended for no fewer than five days OSS, the student may be arrested and the process for expelling that student may begin.
- B. Students who TRANSMIT drugs or alcohol IN ANY MANNER to someone else will be immediately suspended, the student may be arrested, and processed for expulsion. Also, a student who transmits material, which he/she expressly or implicitly represents to be a controlled substance, may be immediately suspended and processed for expulsion. Any adult employee of the school corporation who observes or who has reasonable suspicion that a student may be transmitting, possessing, using or under the influence of drugs or alcohol should convey that information to his/her immediate supervisor or the person in charge of the school function, whichever is appropriate.

TOBACCO

Federal Legislation entitled “Goals 2000: Educate America,” bans smoking in all facilities where education services are being provided to children. The law speaks to all individuals, students and adults. Based on the above law, students are not to possess or use any tobacco substances during the school day. The Board of School Trustees endeavors to aid students in understanding the health dangers involved in tobacco usage and the effect that it has on others (nonsmokers). In addition, the Board of School Trustees recognizes that any student under the age of twenty-one (21) who has violated the Greater Clark County Schools tobacco policy has also violated the Indiana tobacco possession law (IC 35-46-1-10.5). Students found *possessing or utilizing* tobacco products will be afforded the opportunity of voluntary enrollment in a local program that is designed to help people deal with their tobacco usage

For the purposes of this policy, “tobacco” is defined to include any lighted or unlighted cigarette, electronic cigarette (or e-cigarette), electronic vaping device, personal vaporizer (PV), electronic nicotine delivery system (ENDS), cigar, pipe, bidi, clove cigarette, and any other smoking product, and spit tobacco, also known as smokeless, dip, chew and snuff, in any form or any other matter or substance that contains tobacco.

FIGHTING

If student conduct results in physical contact the school resource officer will be involved. If warranted, they have the authority to place the student/students under arrest.

HARASSMENT/BULLYING POLICY

Greater Clark County School Corporation is committed to providing a workplace and educational environment that is free from harassment or bullying based upon any threatening behavior, including but not limited to, references to sex (including transgender status, sexual orientation and/or gender identity), race, color, religion, national origin, age, disability, ancestry, marital status, familial status, or veteran status. Greater Clark will not tolerate harassment of employees, students, volunteers, or patrons by anyone.

It shall be a violation of this policy for any employee or student of the Greater Clark County School Corporation to harass or bully another employee, student, volunteer or visitor through conduct or communications. The use of the term “employee” also includes volunteers who work subject to the control of school authorities and school district patrons.

This policy should be broadly interpreted to evidence Greater Clark’s commitment to equality of opportunity, human dignity, diversity, and academic freedom. This policy is not intended to deprive any person of his/her right to freedom of expression, but only to maintain, to the extent possible and reasonable, a safe and harassment-free workplace/educational environment for our staff, students and patrons.

Greater Clark recognizes the need to address situations of bullying, harassment and/or intimidation in an educational format. This format needs to include educational information for students and parents in the areas of prevention, intervention and discipline.

- No employee, student or any person on school district property or associated with a school district event shall intentionally harass, intimidate, demean, bully, or abuse a person or groups of persons (physically, verbally or by other conduct) with the purpose or effect of inflicting injury or unreasonably interfering with such person's work or academic performance. Bullying is defined as overt, repeated acts or gestures, including verbal or written communications transmitted; physical act committed; or any other behavior committed by student or group of students against another student with the intent to harass, ridicule, humiliate, intimidate, or harm the other student.
- No employee, student or any person on school district property or associated with a school district event shall create an intimidating, hostile, or offensive work or academic environment in connection with any school activity, event, trip, meeting or other operation of the school district.
- No person shall retaliate or threaten retaliation against another person for reporting, testifying or otherwise participating in any investigation, or proceeding relating to a complaint of harassment.
- The above rules apply when a student is on school grounds immediately before or during school hours, immediately after school hours or at any other time when the school is being used by a school group; off school grounds at a school activity, function or event; traveling to or from school or a school activity, function, or event; or using property or equipment provided by the school.

Complaint Procedures

1. Any employee, volunteer or student making an allegation that he/she has been the subject of harassment/bullying may use the complaint procedure explained in the Students Rights and Responsibilities or may complain directly to his or her immediate supervisor, building principal, or Title IX Complaint Designee for the school corporation. Filing of a complaint or otherwise reporting harassment/bullying will not reflect upon the individual's status nor will it affect future employment, grades or work assignments.
2. Any non-employee/patron making an allegation that he/she has been the subject of harassment/bullying may also use the complaint procedure explained in the Students Rights and Responsibilities or may complain directly to a building administrator, the Superintendent or designee.
3. The right of confidentiality, both of the complainant and of the accused, will be respected consistent with the school corporation's legal obligations and the necessity to investigate allegations of misconduct and to take corrective action when this conduct has occurred. All documents related to such reports or investigations will be kept in a separate file and will not become part of any regular personnel file or student education record. However, any official disciplinary actions by the Superintendent, designee, or the Board will become a part of any regular personnel file or student education record.

Investigation Procedures

Upon the first reported issue, a school counselor will document the incident. At that time, counselor will meet with the reporting student (victim) and decide if the reporting student will attempt to resolve conflict on their own, or put the other student(s) on "notice" to end bullying or harassment behavior. The reporting student can choose to confront the accused in a counselor led session if so desired. Administration will be notified depending on the severity of the issue. Upon second incident, a school counselor will refer the students involved to administration. The administrator will call home and assign consequences if counselor has already warned the student(s) involved to end reported behavior. Upon third

incident, administrator will assign progressive consequences. If a situation moves to a fourth incident, progressive consequences will be assigned, the school will hold a parent meeting and formal paperwork may be filed.

PLAGIARISM/CHEATING

The following will be considered plagiarism at New Washington Middle/High School.

1. Copying another student's (or author's) work or class assignment.
2. Putting your name on someone else's paper, project, or essay.
3. Copying another student's answers on an individual quiz, test, or assignment.
4. Using a "cheat sheet" on any quiz, test, or assignment.
5. Stealing and/or selling quizzes, tests, or assignments or answers.
6. Taking of any student or professional writings (published or unpublished) and using it as your own. This would include items downloaded from the World Wide Web or generated using AI.

If plagiarism is suspected, a teacher at New Washington Middle/High School has a duty to investigate. If the evidence indicates that a student has cheated on any item the following consequences are possible:

- Give a warning
- Contact guardian
- Redo the assignment/exam
- Receive a 0 or F on the assignment
- Report to the appropriate agency when cheating occurs on a standardized test

*Administration and/or teacher have discretion regarding to the severity of the plagiarism or cheating. The consequences do not have to be in sequence and will be adjusted based on the severity of the offense.

SEARCH AND SEIZURES

In general, any staff member can confiscate items that are a violation of school rules, can disrupt the educational process, or may be a hazard to persons in the building. Items such as bookbags or coats and jackets may be searched when there is reason to believe they contain contraband.

The following rules clarify other searches:

- Lockers are the property of the School Corporation and may be searched by the principal or his/her designee when necessary.
- Police and police dogs may be used to help administrators search lockers.
- Luggage, bags, etc. that students take on overnight fieldtrips are subject to search.
- Electronic surveillance may be used in buildings and buses to ensure student safety.

It is the policy of the Greater Clark School Corporation to maintain a learning environment that is free from sexual harassment.

It shall be a violation of this policy for any student of the Greater Clark County School Corporation to harass another student through conduct or communications of a sexual nature as defined in Section I.

Definitions of Harassment

Sexual harassment shall consist of unwelcome sexual advances, requests for sexual favors, and other inappropriate verbal or physical conduct of a sexual nature when made by any student to another student:

1. Conduct of a sexual nature may include verbal or physical sexual advances and/or comments regarding physical or personality characteristics of a sexual nature.
2. Verbal or physical contact of a sexual nature constitutes sexual harassment when the allegedly harassed student has indicated, by his or her conduct or verbal objection, that it is unwelcome.
3. A student who has initially welcomed such conduct by active participation must give specific notice to the alleged harasser that such conduct is no longer welcome in order for any such subsequent conduct to be deemed unwelcome.
4. Such conduct has the purposes or effect of substantially interfering with an individual's academic performance or extra-curricular participation or creating an intimidating, hostile, or offensive educational environment.

Complaint Procedures

When a student or his/her parents or guardian believe a violation of this policy has occurred, they

may file a formal complaint under the procedure established by the school corporation. To file such a complaint, contact the principal, Title IX Complaint designee or Superintendent's designee.

SCHOOL RESOURCE OFFICER

The School Resource Officer is not merely a "Cop on Campus," he/she is a visible law enforcement presence on campus. The SRO advises school officials on law-related matters and helps assess school safety needs. There are times the SRO will instruct classrooms with law-related and safety related topics. He/She will serve as a conflict mediator to students. The SRO serves as a role model to students and students are encouraged to seek advice from the SRO to prevent situations from developing into more serious problems.

The School Resource officer will be forwarded major disciplinary information and by criminal law, criminal charges may be filed. Any issue of physical violence against another person may result in the involvement of the SRO.

USE OF DOGS

Trained, certified search dogs will be utilized at various times by law enforcement agencies to search for illegal drugs in the school building and on school grounds.

- All weapons will be confiscated by the principal or his/her designee and held under strict security. If the weapon incident could constitute a violation of Indiana and/or federal law, the weapon will be turned over to authorities. E-LEARNING

Greater Clark County Schools will provide students with the opportunity to educationally engage outside of the traditional school setting through the implementation of eLearning days. The use of eLearning days will enhance the district's ongoing 1:1 computer initiative by providing students with instruction during school cancellations and preplanned professional development days. The Indiana Department of Education encourages school districts to hold eLearning days as an opportunity for students to continue their lessons through technology initiatives.

ELearning utilizes electronic technologies to access curriculum outside of the traditional classroom. Greater Clark County Schools believes that continuity of instruction in the event of the loss of an instructional day, due to weather or other circumstances, is a critical component to our students' success. Therefore, our schools will provide the opportunity for students to interact with their teachers through the use of personal devices, Google Classroom, Google Meet sessions, email and other electronic digital media to ensure uninterrupted instruction.

ELearning days come in two forms: asynchronous and synchronous.

Asynchronous eLearning Days:

- All assigned work and lessons will be communicated through Google Classroom.
- Assigned work will align to the district sequencing guides.
- Students will work at their own pace to complete the assigned work.
- Some teachers may still deliver face to screen instruction via Google Meet or pre-recorded video opportunities.
- Attendance will be taken via a Google Form on asynchronous eLearning days.

Synchronous eLearning Days:

- All assigned work and lessons will be communicated through Google Classroom.
- The lessons and assigned work will align to the district sequencing guides and students will remain on pace with their GCCS classroom.
- Students will be expected to interact with their teachers according to their school's published schedule.
- Attendance will be taken during the scheduled teacher interaction time. If students are not in attendance during the scheduled time, the student will be marked absent but still expected to complete the work.

More information regarding eLearning days can be found on the Greater Clark County Schools website.

GENERAL SCHOOL/STUDENT INFORMATION

COMMUNICATION EXPECTATIONS:

GCCS is committed to partnering with families to support student learning at home, school and in the community. We acknowledge that students, parents and school staff all have a role in making schools safe and must cooperate to achieve this goal. When school staff and parents work together as partners, they create important opportunities for children to develop social, emotional and academic competencies. As role models, parents and school staff should exhibit the behaviors they would like to see students emulate to be successful in school and in society. Parents are encouraged to talk with their child's teacher(s) and other school staff about issues that may affect student behavior. School staff should keep parents informed of their child's behavior and enlist parents as partners in addressing concerns. Meetings between parents and school staff are encouraged to solve problems, prevent behavior problems, and support behavior change and skill development.

Critical attributes of effective, ongoing, two-way communication include:

- Consistent focus of student achievement and well-being
- Courteous and respectful interactions between all stakeholders at all times
- Open minded exchange of ideas and information between student, family and staff related to achievement, organization and/ or behavior

Expectations for two-way communication:

- Teacher-Parent Apps (Remind, Class Dojo, etc.) may be used for quick announcements, reminders, and celebrations.
- Phone and email communication will be used for specific discussion related to student performance and/or well-being.
- In-person and/or phone conferences will be used for extended discussion related to student performance and/or well-being. Parents may initiate a parent-teacher conference at any time of the school year. There is also an annual parent-teacher conference day set aside for all schools to conduct conferences. - (a) "Each school shall require the parent of a student who has enrolled in the school to furnish no later than the first day of school attendance, proof of the student's immunization status, either as a written document from the health care provider who administered the immunization or documentation provided from the state immunization data registry.

- Special circumstances may cause need for a student to carry medication on them. Please speak to the school health office staff in this situation.

Medication Forms: Authorization forms for giving medication at school may be obtained from the school Health Office. Under no circumstances should a child take prescription or over-the-counter medications to class. They must be turned in to the office so they can be administered properly. Safety is our first priority.

Health Office Visits

Students should obtain a pass from his/her teacher prior to reporting to the health office. If necessary, the parent/guardian will be notified and can take appropriate action. The school nurse can provide to a student with a documented medical need a pass for accommodations such as: elevator use, extended passing time, bathroom privileges, etc. These passes can only be issued when the parent/guardian has contacted the school nurse and appropriate documentation has been obtained.

PRIDE PROGRAM & WORK ETHIC CERTIFICATE

PRIDE Program

The PRIDE program addresses common expectations (Persistence, Respect, Initiative, Dependability, and Efficiency) while also teaching social emotional learning skills. The PRIDE program encompasses the systems of routines and positive school culture practices that allows the main focus to be on literacy and numeracy in all content areas via expectations, culture and climate, restorative accountability, interventions, and partnerships. Teaching these expectations and measuring student performance will lead to strong employability skills and provide the data to determine each student's college and career readiness. Schools will incorporate PRIDE into their building level plan and matrices.

Work Ethic Certificate

Our PRIDE program works to build the soft skills that students need to be successful in their chosen post-secondary setting. Students are taught Persistence, Respectfulness, Initiative, Dependability, and Efficiency; and are expected to demonstrate these skills on a daily basis. Seniors have the opportunity to earn a Work Ethic Certificate (WEC). In order to earn the WEC as a senior, students must have at least 98 percent attendance (including tardies, sign-ins, and sign-outs), at least a 2.0 GPA and have met criteria for graduation, not more than 1 discipline referral, 6 hours of community service, and 3 faculty members to verify that they demonstrate: Persistence, Respectfulness, Initiative, Dependability, and Efficiency. Seniors that earn the WEC are recognized at Honors program, receive a certificate signed by Governor Holcomb, and wear a PRIDE sash at the graduation ceremony.

STUDENT ASSISTANCE PROGRAMS

MENTAL HEALTH SERVICE PARTNERSHIPS:

Greater Clark County Schools understand the critical role that mental health plays in the overall well-being and academic success of our students. As part of our commitment to fostering a supportive and nurturing environment, we have established partnerships with dedicated mental health providers. Wellstone Regional Hospital provides an

immediate acute assessment if a student is in need of that critical care. Our partnership with Centerstone Mental Health Services provides some limited school-based therapy sessions. Referrals for either partnership are made through the school at the request of staff and/or parent/guardian.

PARENT/TEACHER CONFERENCES

If a parent/student wishes to confer with his/her instructors, conferences may be arranged before or after school. Students and parents are encouraged to talk with their teachers about the improvement of their classroom progress or any other problem which may be confronting them. Parents can call or e-mail the student's guidance counselors and/or teacher to arrange a conference. An attempt will be made to answer all questions in regarding to the educational progress of the student.

POWERSCHOOL INFORMATION

PowerSchool is the district's web-based student management system where student information is collected and stored.

The Parent Portal increases parent engagement and connects the parent/guardian to the classroom with easy visibility to grades, assignments, and progress. From the parent dashboard, parents have access to class schedules, assignments, grades, attendance and staff email. Parents can choose to have notifications emailed to them at regular intervals. All student information is delivered securely and can only be viewed by creating a parent account using the Access ID and Access Password supplied by the school.

Please note that at the beginning of each term, you may see zeros or extreme shifts in the class average of your child. When there are only one or two assignments in the gradebook, a low or high score can make a dramatic change in the overall grade average. This is common and will regulate as more assignments and/or assessments are added to PowerSchool. The gradebook instantly recalculates the overall grade as every assignment is entered.

If you need assistance in setting up your parent account or in accessing your current account, please contact the school office.

SAFETY PROCEDURES

In accordance with state laws and Greater Clark County School’s Emergency Preparedness Plan, classes at our school will discuss emergencies and will participate in periodic safety drills. The purpose of each drill is to teach students how to respond quickly and safely in the event of an emergency. Emergency information is located in each room in the building. Evacuation procedures are also posted throughout the school. The three types of required drills are fire, tornado, and man-made disaster. Our district has chosen to adopt the Standard Response Protocols to utilize for our safety plan.

The Standard Response Protocol (SRP) is based on the response to any given situation not on individual scenarios. Like the Incident Command System (ICS), SRP demands a specific vocabulary but also allows for great flexibility. The premise is simple - these five specific actions that can be performed during an incident. When communicating these, the

action is labeled with a "Term of Art" and is then followed by a "Directive." Execution of the action is performed by active participants.

These emergency drills will be done under the direction of the principal with records of these drills being kept in the principal's office. Drills are taken very seriously. Misbehavior will result in consequences. One day the drill may not be a drill, but a real emergency. We must be prepared. Any and all persons in the building must participate in the drills when they are conducted. During severe weather, we WILL stay tuned to the National Weather Service for up-to-the-minute reports. If severe weather occurs at dismissal time, we will hold the buses until the transportation department deems that it is safe for children to be transported home. Parents may be asked to wait until severe weather passes before transporting their child home in a car. This is a safety precaution for you and our students.

Secure is followed by the Directive: "**Get Inside. Lock Outside Doors**" and is the protocol used to safeguard people within the building.

Hold is followed by the Directive: "**In Your Room or Area**" and is the protocol used when hallways need to be kept clear of occupants.

Lockdown is followed by "**Locks, Lights, Out of Sight**" and is the protocol used to secure individual rooms and keep occupants quiet and in place.

SCHOOL CLOSING INFORMATION

Announcements concerning school closing because of weather or other emergencies will be carried on all local television stations along with the Greater Clark County Schools website www.gccschools.com.

VIDEO SURVEILLANCE AND ELECTRONIC MONITORING

Video monitoring equipment is in use at New Washington Middle/High School to monitor student behavior and the property of Greater Clark County schools. See GCCS policy 7440.01. Any tampering with electronic security or safety devices is subject to disciplinary action.

VISITORS AND SCHOOL SECURITY

All visitors should report to the main office. For the protection of our students, Greater Clark County Schools uses a visitor management software known as Raptor. When visiting a GCCS building, visitors must present their driver's license to a designated staff member. The Raptor system will perform a quick check on the visitor to identify individuals who are on a list of offenders not allowed to have contact with our student body. Once the visitor is approved, the office staff will issue a visitor's ID badge. All visitors must wear a visitor's badge. Students who are from other schools will not be allowed to visit.

All doors into the school will be locked and secured as soon as first period begins. Any person who enters the building after that time will be REQUIRED to enter at the main entrance outside of the office. Students who intentionally "block open" a door to allow other students to enter the building are risking the security of Charlestown High School and will be subject to school discipline including suspension or expulsion.

TRANSPORTATION INFORMATION

BUS REGULATIONS

Riding the school bus is a privilege. Improper conduct at the bus stop or on the buses may result in that privilege being denied. Only regularly scheduled bus students are to ride the school buses.

While on the bus, students should keep hands and head inside the bus at all times. Horseplay is not permitted around or on the school bus. Bus riders are not permitted to leave their seats while the bus is in motion. Students who are transported to school are NOT permitted to leave the school property once they get off the bus.

Misconduct reports from bus drivers may result in a student being denied bus-riding privileges from one to five days (or longer, depending upon the number of bus conduct reports a student acquires).

Transportation Guidelines and Procedures:

1. Transportation eligibility is determined by a student's home address. GCCS does not allow alternating addresses during the week. Students are allowed one pick up location and one drop off location every day. In other words, the morning address and the afternoon address can be different, but both addresses must be within the assigned school boundary and must be consistent each day.

2. Pre-school and special education students must have a designated, responsible greeter at the stop when the bus arrives to drop off. If the greeter is not at the stop when the bus arrives, the child will be taken back to the school or to the nearest police department as a safe haven. Repeated failure to greet students at the stop may result in the loss of transportation. **Note: all other students, Kindergarten to 12th grade, will be dropped at their stop; it is the responsibility of the parent/guardian to decide if they need to greet their child(ren).**
3. Students must ride on their assigned bus, to their assigned stop. All stops are assigned by the Director of Transportation or designee. Bus drivers are not authorized to assign or change bus stops. **Students are prohibited from riding to (or from) another student's home/ bus stop. Parents must make alternative arrangements for transportation if an emergency arises.**
4. For safety reasons, students must be at their assigned stop location five (5) minutes before the scheduled pickup time.
5. Non-students, including parents, are not permitted on a school bus without explicit consent from a school official. Entering without permission constitutes criminal trespass, a Level 6 Felony. (I.C. 35-43-2-2).
6. Bus stop change requests or new students should be directed to the transportation office by using the GCCS website: <https://www.gccschools.com/home/our-district/departments/transportation/>. For new or changed assignments, an online transportation form must be filled out and the transportation request may take up to 3 school days.
7. If you reside in a No Transportation Zone (NTZ), GCCS will not provide transportation. If you reside in a Limited Transportation Zone (LTZ), GCCS will provide limited pick up points.

DRIVING AND PARKING

Driving to school is a privilege not a right. Students should remember that any vehicle driven to school becomes part of the school zone and, by law and school policy, can be searched by school personnel if there is reasonable suspicion the student is in violation of a school rule or public law.

When you drive on the school lot you should park, lock your car, and immediately enter the building.

All students who drive to school must obtain a parking permit. Students may be assigned a space. Students may obtain a parking permit for a \$5.00 fee in Student Services during or after school. Students must have their driver's license with them to purchase a parking permit.

Students are not to park in the faculty/staff/visitor parking lots. One warning will be given and the car will be towed at the owner's expense for a second violation.

1. Students must present a valid driver's license to obtain a parking permit.

2. Students must not return to their cars during the school day without permission of one of the school administrators.
3. Parking violations:
 - a. will be reported to the proper authorities
 - b. may result in parking space reassignment
4. Students who purchase the right to claim and decorate a parking spot will be assigned to that spot. The rest of the spaces will be first come, first serve.
5. Students are responsible for knowing the New Washington Middle/High School parking regulations.
6. Parking lot rule violations may result in the student's driving privileges being suspended.
7. Parking in a handicap space may result in your license plate number reported to Clark County Sheriff's Department.
8. Autos with no parking permit or repeat rule violations may be towed at the owner's expense.

DRIVER'S LICENSE/PERMIT RESTRICTIONS

A student who has not been issued a driver's license or learner's permit to drive is entitled to a periodic review of the student's attendance record to determine whether the prohibition on the issuance of the license or permit shall continue. The periodic reviews may not be conducted less than one (1) time each school year.
