## **ACADEMIC INFORMATION**

### **GRADING**

Grades are given for each class a student is enrolled in as a representation of a student's knowledge and achievement in that class. The final determination of a student's grade lies with the teacher who will justify each grade by means of scores and results from varied learning experiences based on the GCCS policy of 70% of the final grade derives from assessments and 30% of the final grade derives from assignments.

Report cards are issued at the end of each nine-week grading period. Progress reports are available on PowerSchool approximately five weeks after each report card. Report cards are also available to parents on PowerSchool at the end of 2<sup>nd</sup> semester.

Students will receive a 50% F for work at the end of the quarter not completed or turned in. To indicate missing assignments, a 0 may be used until the end of the grading period and then changed to reflect the F 50%

Individual teachers or teams are expected to contact parents when a student is making unsatisfactory academic or behavioral progress. Parents should feel free to contact the staff or administration any time they have questions regarding their child's progress.

### **Grading Scale**

### **HOMEWORK**

Home study is a necessary part of each student's educational program. Each student must be expected to spend some time in addition to scheduled class instruction to achieve satisfactory work. Some assignments are long range in nature and require planned study time for their completion. Planned study time eliminates the necessity of spending too much time in completing an assignment the day before it is due. Students who consistently fail to complete homework assignments are less likely to be successful in school.

Car riders may not be dropped off in the front of the building before 7:55 a.m. Buses will pick up students at 2:45pm. All car riders must be picked up from school in the car rider line by door 14. NO car riders will be dismissed from the front door of the building.

## **Breakfast**

Breakfast begins at 7:45am and ends at 8:00am. Students are responsible to be in class on time.

## **Hallway & Passing Time Routine**

Students will be dismissed by their teachers for transition from class to class. They will need to request a digital hall pass if they need to leave the room for any reason. The expectation is that **all students should be in their seats and ready for instruction when class begins**. Any student in the hallway during class is expected to request a digital hall pass and have their PRIDE stamp card with them. Students not having a PRIDE Stamp card will be sent back to class upon the first offense; the second offense may lead to disciplinary action. Running in the hallways is prohibited.

## **Lunch/Cafeteria Procedures**

Students will enter the cafeteria and get in line to pick up their lunches. Students will exit the serving line and immediately go to their table. Students not eating school lunch will go immediately to their table. Students are not to cut in front of others in the food line. Please keep the lunchroom clean by depositing litter in the wastebaskets, returning all trays and utensils to the dishwashing area, and by leaving your table clear for others. Students must go to the cafeteria and remain there until dismissed. Permission is required to leave the cafeteria for any reason.

No commercial deliveries at lunch will be accepted. Students may bring lunch from home if they do not purchase food in the cafeteria. Delivery of lunch to a student during the day is not encouraged.

## **After School Hours**

All students are encouraged to become involved in extracurricular school activities. Unless students are involved in a supervised activity after school, they are expected to leave the building immediately after the last bell. The building is closed to students at 3:00 pm.

# **ATTENDANCE INFORMATION**

## **ATTENDANCE**

Daily attendance of all students who are enrolled in the Greater Clark County Schools is required in accordance with state law and corporation policy. Students are expected to attend school regularly in order to derive maximum benefits from the instructional program. The responsibility for regular school attendance by a student rests with the student and his/her parent or legal guardian.

In an effort to meet one of the Other Indicators for Annual Yearly Progress students must maintain a ninety-five percent (95%) attendance rate. Students who fail to meet these criteria are subject to the disciplinary procedures.

When absenteeism noticeably affects a student's academic or personal success, and/or is in violation of either state law or school board policy, school personnel shall take such action as is deemed appropriate, including but not limited to the following: counsel with students and parents; require written statements from parents or guardians documenting the need/reason for the absence; meet with probation officer; assign in-school suspension, out-of-school suspension and/or detention after school hours; recommend expulsion; or, initiate legal proceedings against students and parents.

A parent/guardian must notify the school if the student is going to be absent, tardy, or will be leaving school early for an appointment. Parents are expected to call the school on the day of absence by 10:00 a.m. (one call for an extended absence is sufficient). A message may be left by calling 812-288-4848 and pressing Option 2. Parents unable to call on the day of the absence **MUST** call the school the next school day. If a call is not made to verify the absence the next school day, the absence will be considered an **unexcused absence**.

## **ABSENTEEISM CONSEQUENCES**

School personnel will make reasonable attempts to notify parents when an absence has not been verified within the allotted time; however the law is clear; it is the parent's responsibility to notify the school of student absences.

Action required for excessive absences:

- When a student has been absent (unexcused) a total of five (5) days in a school year, the principal or his/her designee shall mail a Letter of Notice and contact the parent/guardian to set up a conference.
- When a student has been absent (unexcused) a total of ten (10) days in a school year, the principal or his/her designee shall mail a Letter of Notice to the parent/guardian. At this point, all future absences must be documented with a doctor's note or other appropriate documentation within two days of the child's return to school.
- When a student has been absent (unexcused) a total of fifteen (15) days in a school year, the principal or his/her designee will send the First Legal Notice to the parent/guardian.
- When a student has been absent (unexcused) a total of twenty (20) days in a school year, the principal or his/her designee will send the Final Legal Notice to the parent/guardian. The administrator will complete a Truancy Affidavit and refer student to the truancy advocate. In addition, a report will be made to the Department of Child Services for students in grades k-8.

## **ABSENCE DEFINITIONS**

Absences from school will be counted as half days or full days per state code and will fall into one of five categories:

1. Exempt
2. Excused
3. Truancy
4. Unexcused
5. Out of School Suspension

1. **Exempt Absences** are absences from school, class or assigned activity which are exceptions to the compulsory attendance law and which are not reported or recorded as absences. These include:
  - A. Servicing as a page or honoree of the Indiana general assembly (IC 20-33-2-14)
  - B. Serving on the precinct election board or as a helper to a political candidate or party on the date of a municipal, primary or general election (IC 20-33-2-15)
  - C. Subpoenaed to testify in court (IC 20-33-2-16)
  - D. Serving as an active duty member of the armed forces, including the National Guard for at least 15 days in a school year (IC 20-33-2-17)
  - E. Serving with the Civil Air Patrol for up to 5 days (IC 20-33-2-17.2)

- F. The student or a member of the student's household exhibits or participates in the Indiana State Fair for educational purposes. The student must be in good standing as determined by the Corporation. Parents must request the absence in writing, it must be approved in writing by the principal, and it may not exceed five (5) days. (IC 20-33-2-17.7)
- G. The student participates in a scheduled competition, exhibition or event offered by the National FFA Organization, Indiana FFA Association or 4-H Club (IC 20-33-2-17.8)
2. **Excused Absences** are defined as absences from school, class or assigned activity for one of the following verified reasons:
- A. Personal illness that involves fever, vomiting, diarrhea, accidents, injuries, or other illnesses that is communicated to the school by parent or guardian.
  - B. Medical or dental appointments with documentation that cannot be scheduled outside of the school day.
  - C. Death of an immediate family member or other relative.
  - D. Religious observances. Advance notification of the principal or his/her designee by parent/guardian and church official is required for approval.
  - E. Other extenuating circumstances that will be determined by the principal in advance of the absence.
3. **Truancy** is defined as absence from school, class, or assigned activity without the permission of parent/legal guardian or principal/designee. A student will also be considered truant if he/she leaves a class, a school-sponsored activity and/or the school without the proper permission of school authorities. In dealing with truancy, the term "instance of truancy" shall be used. This term defines a period of truancy that may vary in length. For example, two consecutive days could be an "instance of truancy." Being truant will result in school consequences.
4. **Unexcused Absence** is defined as absence from school, class or assigned activity without proper parent communication, written documentation from medical or legal provider, or is not defined by one of the excused or exempt absence categories.
5. **Out-of-School Suspension** is defined as exclusion from all school classes and school sponsored activities for one to ten days. It may be assigned if a student has violated applicable sections of the Greater Clark County Schools' [Student Rights and Responsibilities Handbook](#) or Indiana law.

## **APPOINTMENTS**

Parents are encouraged to set up appointments so the students will not miss any part of the school day.

## **ARRIVING OR LEAVING DURING SCHOOL HOURS**

It is sometimes necessary that students arrive late or leave early during the school day. When students arrive late or leave early, they must report to the office. Students who arrive late must go to the main office and sign in. Students are not to leave the building during the school day without being signed out at the main office by a parent, legal guardian, or an adult designated by the parent to school personnel. A student will be assigned a half-day absence if he/she arrives to school after 11:15am or signs out before 11:15am and does not return.

## **FAMILY TRIP/VACATIONS**

Vacations during school time are discouraged. Days missed for vacation are absences and fall under the Greater Clark Attendance Policy guidelines.

## **HOMEWORK (MAKE-UP WORK) FOR ABSENCES**

- The student upon returning to class must initiate the request for makeup work. If an absence is known in advance, the student is encouraged to complete the work before the absence.
- In general, one make-up day for each day absent is the designated time allotted to get work caught up. If an assignment or graded activity was announced before the absence, the student is still responsible for the work due upon the date of the student's return to school. Extended illness and other extenuating circumstances shall be handled on an individual basis by the principal or principal's designee.
- In the case of an Out-of-School Suspension (OSS), the student is required to complete all assignments and school work assigned during the period of the student's suspension. The principal or the principal's designee shall ensure that the student receives notice of any assignments or school work due and teacher contact information in the event that the student has questions regarding the assignments or schoolwork. The student shall be allowed to make up missed tests or quizzes when the student returns to school.

### **LATE ARRIVALS/SIGN-INS**

First period begins at 8:00am. If a student is more than 5 minutes late to first period, or enters school any time after 8:00 a.m., it is considered a late arrival and the student is required to sign-in. Habitual late arrivals/sign-ins will result in school consequences.

### **SICK AT HOME**

- **Fever:** Return when fever free for 24 hours (without requiring the use of fever reducing medications)
- **Diarrhea and/or vomiting:** Return 24 hours from last episode of vomiting/diarrhea
- **Pink eye or other bacterial infection:** Return 24 hours after start of antibiotics
- **Other:** If you are unsure if your child has an illness that may be contagious to others, please reach out to their healthcare provider for return to school guidance.

### **SICK AT SCHOOL**

Generally, your child will be sent home if he/she shows any of the following: elevated temperature (100.0+), respiratory symptoms, vomiting, pain in chest or stomach, fainting, injury, any condition meriting doctor review - pink eye, unexplained rash or redness, pediculosis (head lice)/bed bug infestation, diarrhea, etc. Students should be fever-free for 24 hours prior to returning to school for the safety of all students. In the event that we cannot reach the parent/guardian the school will begin contacting the student's listed emergency contacts in PowerSchool. Please make sure that the home, cell and work phone numbers of parents and emergency contacts are kept up-to-date in PowerSchool. Please contact the office if any of these change during the school year.

### **TARDY POLICY**

A tardy is defined as a student not being in his/her assigned classroom at the start of class.

1. **Excused Tardies** are defined as late sign-ins or early sign-outs with proper documentation of:
  - a. Personal illness that involves fever, vomiting, diarrhea, accidents, injuries, or other illnesses that is communicated to the school by parent or guardian in writing (no more than 5 occurrences).
  - b. Medical or dental appointments with documentation that cannot be scheduled outside of the school day.
  - c. Death of an immediate family member or other relative.
  - d. Religious observances. Advanced notification of the principal or his/her designee by parent/guardian and church official is required for approval.
  - e. Other extenuating circumstances that will be determined by the principal in advance of the absence.
2. **Unexcused Tardies** are defined as a late sign-in or an early sign-out from school, class, or assigned activity without written documentation from a medical or legal provider, or other highly extenuating circumstances that will be determined by the principal in advance of the tardy.

### **TARDY TO CLASS: FIRST PERIOD**

If a student is less than 5 minutes late to first period class, it is considered a classroom tardy and progressive consequences will be assigned. If a student is more than 5 minutes late for first period, it is considered a late arrival/sign-in and progressive late arrival/sign-in consequences will be assigned.

## **DISCIPLINE INFORMATION**

River Valley Middle School teachers, counselors, and administrators promote a school environment that supports and encourages good student behavior. A wide variety of strategies is utilized to help each individual student become

successful in school. Some example strategies are: positive rewards, parental contacts, time-outs, lunch detentions, counseling sessions, check sheets, restricted privileges, in-school suspension, after-school detention, out-of-school suspension, etc.

These strategies are implemented to help develop each child into a student that has self-discipline and positive self-esteem. An integral part of a middle school child's success, behaviorally and academically, is parental involvement. Discipline strategies will almost always be more effective with the involvement and support of parents. Parents will be notified of behavioral problems. If RVMS staff and parents work together, students will have a better chance of succeeding.

**The following are the five school rules of River Valley Middle School:**

- P – Persistence – Complete all work or assigned tasks.
- R – Respectfulness – Follow all directions the first time. Respect each others' personal space and property.
- I – Initiative – Start work immediately. Ask for help, when needed.

## **INFRACTION PLAN**

River Valley Middle School uses a school-wide infraction system and behavior matrix. The purpose of the infraction system is to re-teach expectations. The process for RVMS infraction as seen below is based on infractions per class period.

1<sup>st</sup> - Warning by teacher and reteach desired behavior

2<sup>nd</sup> – Teacher Contacts Parent and reteach desired behavior

3<sup>rd</sup> – Counselor Referral and Parent Contact

4<sup>th</sup> and beyond – Meet with Administration or Dean– Progressive Discipline Consequence given

## **DISCIPLINE POLICY (CONSEQUENCES)**

The intent of River Valley Middle School's discipline policy is for **the safety, protection and best interest of all students who attend our school, not punishment**. However, there are times when disciplinary measures are needed and required by law. This section gives a general summary of the actions and consequences when disciplinary measures are needed and required by law. Below actions are a guideline and do not have to be sequential.

**Changes will be made per Administration discretion and severity of action by student.**

1. **Teacher/Principal Verbal Warning**
2. **Teacher removal from class**
3. **Detention**
4. **Lunch Detention**
5. **Friday Evening School**
6. **In School Suspension/ In School Reflection**
7. **Out of School Suspension**
8. **Alternative Education Program**
9. **Expulsion**

### **Lunch Detention**

Lunch detention meets daily and serves as a consequence for many minor student discipline issues. They will report to student services. While in lunch detention, students are expected to sit in their assigned seat, remain silent, and not be disruptive in any way.

### **In-School Suspension (ISS)/In-School Reflection (ISR)**

In-School Suspension (ISS)/ In-School Reflection (ISR) is designed to serve as an alternative to out-of-school suspension for discipline, attendance, or tardy problems. Students assigned to ISS/ISR will attend school and will be required to remain in a specific room/area for the entire school day. Students may be assigned to ISS/ISR for a period of 1-5 days. Students will be required to work on classroom assignments and any other assignments given by the ISS/ISR instructor. Failure to follow rules set forth by River Valley Middle School and ISS/ISR instructor could result in Out of School Suspension.

### **Out of School Suspension (OSS)**

Out of School Suspension (OSS) will be used for serious violations of the student discipline policy; students are prohibited to be on school property during the suspension period. The student will be counted absent from school, but the days will not be counted toward his/her total excessive absences mentioned earlier in the handbook.

If a student is suspended, the student is required to complete all assignments and school work assigned during the period of the student's suspension. The principal or the principal's designee shall ensure that the student receives notice of any assignments or school work due and teacher contact information in the event that the student has questions regarding the assignments or schoolwork. The student shall be allowed to make up missed tests or quizzes when the student returns to school.

### **Expulsion**

An expulsion is a disciplinary action that causes a student to be separated from school attendance for more than ten days, or suspended from attending school for at least one school year. This would prevent a student from completing in the normal time his/her overall courses of study in any school in the school corporation. In addition, a student would face the temporary loss of their driver's license/permit per Indiana law.

### **DRUGS, ALCOHOL & TOBACCO**

The Board of School Trustees promotes drug and smoke-free schools for all students. Considering the health dangers involved and other negative consequences of tobacco, alcohol and other drug use, our school system promotes enforcement of drug-free policies.

While it is clear that most youth do not use drugs, a policy is necessary for the students who do. It is also acknowledged that students who are using or abusing alcohol, tobacco, or other drugs may need professional assistance to become drug free. Consequently, this policy will afford them the opportunity for voluntary enrollment in a program designed to help them become alcohol, drug, and/or tobacco free.

### **ALCOHOL OR OTHER DRUGS**

- A. If a student possesses, handles, transmits or is under the influence of any narcotic drug, hallucinogenic drug, amphetamine, barbiturate, marijuana, alcoholic beverage or intoxicant of any kind (including look-alikes) on school property or at a school function, he or she will be suspended for no fewer than five days OSS, the student may be arrested and the process for expelling that student may begin.
- B. Students who TRANSMIT drugs or alcohol IN ANY MANNER to someone else will be immediately suspended, the student may be arrested, and processed for expulsion. Also, a student who transmits material, which he/she expressly or implicitly represents to be a controlled substance, may be immediately suspended and processed for expulsion. Any adult employee of the school corporation who observes or who has reasonable suspicion that a student may be transmitting, possessing, using or under the influence of drugs or alcohol should convey that information to his/her immediate supervisor or the person in charge of the school function, whichever is appropriate.

### **TOBACCO**

The Board of School Trustees endeavors to aid students in understanding the health dangers involved in tobacco usage and the effect that it has on others (non-smokers.) In addition, the Board of School Trustees recognizes that any student under the age of twenty-one (21) who has violated the Greater Clark County Schools tobacco policy has also violated the Indiana tobacco possession law (IC 35-46-1-10.5).

For the purposes of this policy, “tobacco” is defined to include any lighted or unlighted cigarette, electronic cigarette (or e-cigarette), electronic vaping device, personal vaporizer (PV), electronic nicotine delivery system (ENDS), cigar, pipe, bidi, clove cigarette, and any other smoking product, and spit tobacco, also known as smokeless, dip, chew and snuff, in any form or any other matter or substance that contains tobacco.

### **FIGHTING**

If student conduct results in physical contact the school resource officer will be involved. If warranted, they have the authority to place the student/students under arrest.

### **HARASSMENT/BULLYING POLICY**

Greater Clark County School Corporation is committed to providing a workplace and educational environment that is free from harassment or bullying based upon any threatening behavior, including but not limited to, references to sex (including transgender status, sexual orientation and/or gender identity), race, color, religion, national origin, age, disability, ancestry, marital status, familial status or veteran status. Greater Clark will not tolerate harassment of employees, students, volunteers, or patrons by anyone.

It shall be a violation of this policy for any employee or student of the Greater Clark County School Corporation to harass or bully another employee, student, volunteer or visitor through conduct or communications. The use of the term “employee” also includes volunteers who work subject to the control of school authorities and school district patrons.

This policy should be broadly interpreted to evidence Greater Clark’s commitment to equality of opportunity, human dignity, diversity, and academic freedom. This policy is not intended to deprive any person of his/her right to freedom of expression, but only to maintain, to the extent possible and reasonable, a safe and harassment-free workplace/educational environment for our staff, students and patrons.

Greater Clark recognizes the need to address situations of bullying, harassment and/or intimidation in an educational format. This format needs to include educational information for students and parents in the areas of prevention, intervention and discipline.

- No employee, student or any person on school district property or associated with a school district event shall intentionally harass, intimidate, demean, bully, or abuse a person or groups of persons (physically, verbally or by other conduct) with the purpose or effect of inflicting injury or unreasonably interfering with such person’s work or academic performance. Bullying is defined as overt, repeated acts or gestures, including verbal or written communications transmitted; physical act committed; or any other behavior committed by student or group of students against another student with the intent to harass, ridicule, humiliate, intimidate, or harm the other student.
- No employee, student or any person on school district property or associated with a school district event shall create an intimidating, hostile, or offensive work or academic environment in connection with any school activity, event, trip, meeting or other operation of the school district.
- No person shall retaliate or threaten retaliation against another person for reporting, testifying or otherwise participating in any investigation, or proceeding relating to a complaint of harassment.
- The above rules apply when a student is on school grounds immediately before or during school hours, immediately after school hours or at any other time when the school is being used by a school group; off school grounds at a school activity, function or event; traveling to or from school or a school activity, function, or event; or using property or equipment provided by the school.

### **Complaint Procedures**

1. Any employee, volunteer or student making an allegation that he/she has been the subject of harassment/bullying may use the complaint procedure explained in the Students Rights and Responsibilities or may complain directly to his or her immediate supervisor, building principal, or Title IX Complaint Designee for the school corporation. Filing of a complaint or otherwise reporting harassment/bullying will not reflect upon the individual’s status nor will it affect future employment, grades or work assignments.

2. Any non-employee/patron making an allegation that he/she has been the subject of harassment/bullying may also use the complaint procedure explained in the Students Rights and Responsibilities or may complain directly to a building administrator, the Superintendent or designee.
3. The right of confidentiality, both of the complainant and of the accused, will be respected consistent with the school corporation's legal obligations and the necessity to investigate allegations of misconduct and to take corrective action when this conduct has occurred. All documents related to such reports or investigations will be kept in a separate file and will not become part of any regular personnel file or student education record. However, any official disciplinary actions by the Superintendent, designee, or the Board will become a part of any regular personnel file or student education record.

### **Investigation Procedures**

Upon the first reported issue, a school counselor will document the incident. At that time, counselor will meet with the reporting student (victim) and decide if the reporting student will attempt to resolve conflict on their own, or put the other student(s) on "notice" to end bullying or harassment behavior. The reporting student can choose to confront the accused in a counselor led session if so desired. Administration will be notified depending on the severity of the issue. Upon second incident, a school counselor will refer the students involved to administration. The administrator will call home and assign consequences if counselor has already warned the student(s) involved to end reported behavior. Upon third incident, administrator will assign progressive consequences. If a situation moves to a fourth incident, progressive consequences will be assigned, the school will hold a parent meeting and formal paperwork may be filed.

The student will also be assigned a disciplinary consequence. Repeated instances will result in an office referral and progressive discipline.

The following will be considered plagiarism at.

### **SCHOOL RESOURCE OFFICER**

The School Resource Officer is not merely a "Cop on Campus," he/she is a visible law enforcement presence on campus. The SRO advises school officials on law-related matters and helps assess school safety needs. There are times the SRO will instruct classrooms with law-related and safety related topics. He/She will serve as a conflict mediator to students. The SRO serves as a role model to students and students are encouraged to seek advice from the SRO to prevent situations from developing into more serious problems.

The School Resource officer will be forwarded major disciplinary information and by criminal law, criminal charges may be filed. Any issue of physical violence against another person may result in the involvement of the SRO.

### **USE OF DOGS**

Trained, certified search dogs will be utilized at various times by law enforcement agencies to search for illegal drugs in the school building and on school grounds.

## **E-LEARNING**

Greater Clark County Schools will provide students with the opportunity to educationally engage outside of the traditional school setting through the implementation of eLearning days. The use of eLearning days will enhance the district's ongoing 1:1 computer initiative by providing students with instruction during school cancellations and preplanned professional development days. The Indiana Department of Education encourages school districts to hold eLearning days as an opportunity for students to continue their lessons through technology initiatives.

eLearning utilizes electronic technologies to access curriculum outside of the traditional classroom. Greater Clark County Schools believes that continuity of instruction in the event of the loss of an instructional day, due to weather or other circumstances, is a critical component to our students' success. Therefore, our schools will provide the opportunity for students to interact with their teachers through the use of personal devices, Google Classroom, Google Meet sessions, email and other electronic digital media to ensure uninterrupted instruction.

eLearning days come in two forms: asynchronous and synchronous.

### **Asynchronous eLearning Days:**

- All assigned work and lessons will be communicated through Google Classroom.
- Assigned work will align to the district sequencing guides.
- Students will work at their own pace to complete the assigned work.

- Some teachers may still deliver face to screen instruction via Google Meet or pre-recorded video opportunities.
- Attendance will be taken via a Google Form on asynchronous eLearning days.

#### **Synchronous eLearning Days:**

- All assigned work and lessons will be communicated through Google Classroom.
- The lessons and assigned work will align to the district sequencing guides and students will remain on pace with their GCCS classroom.
- Students will be expected to interact with their teachers according to their school's published schedule.
- Attendance will be taken during the scheduled teacher interaction time. If students are not in attendance during the scheduled time, the student will be marked absent but still expected to complete the work.

More information regarding eLearning days can be found on the Greater Clark County Schools website.

## **GENERAL SCHOOL/STUDENT INFORMATION**

### **CHEWING GUM**

Chewing gum is a privilege that is allowed. However, in order to keep the building looking nice and the furniture and carpets in good repair, it is important that students dispose of their gum properly. Failure to do so may result in the loss of this privilege. **Teachers have the right to ask students not to chew gum in their class.**

### **COMMUNICATION EXPECTATIONS:**

GCCS is committed to partnering with families to support student learning at home, school and in the community. We acknowledge that students, parents and school staff all have a role in making schools safe and must cooperate to achieve this goal. When school staff and parents work together as partners, they create important opportunities for children to develop social, emotional and academic competencies. As role models, parents and school staff should exhibit the behaviors they would like to see students emulate to be successful in school and in society. Parents are encouraged to talk with their child's teacher(s) and other school staff about issues that may affect student behavior. School staff should keep parents informed of their child's behavior and enlist parents as partners in addressing concerns. ## **LIBRARY AND MEDIA CENTER**

The River Valley Middle School Media Center contains a wide range of materials to meet the diversity of student abilities and learning styles. Materials are selected to guide students in the formation of realistic and balanced judgments in their daily lives. Some materials provide opposing sides of issues so that young citizens can make intelligent judgment and practice critical analysis of all media. Some books may contain language or attitudes that some parents may find controversial or objectionable. Therefore, parents are encouraged to review their child's selections and to enter into meaningful conversations and provide guidance when discussing those materials.

## **RESTROOMS**

Students may use the restrooms before and after school, with your class/team on their restroom breaks, and at the beginning or end of the lunch period. It is the responsibility of every student to keep them clean. Loitering, writing on the walls, or damaging the facilities in any way will not be tolerated and could result in consequences. If you are feeling ill, **report to class first** and get permission to see the nurse. **Do not remain in the restroom.**

## **TEXTBOOKS**

Students are assigned textbooks by their classroom teachers at the beginning of each school year. The condition of each textbook is determined when issued and students are expected to return them in good condition. Students will be charged for damaged or lost books. If a book is misplaced during the school year, a new book must be purchased before a new one is issued.

## **TRANSFERS WITHIN GCCS**

Any parent desiring to transfer his/her child to a school within the district may do so by requesting said transfer in writing to the home school principal. The request will be granted if both principals agree to the transfer, if there is room in the receiving school and if the available program does not have to be changed or modified to accommodate the child. If either principal disapproves the transfer, the parent can appeal to the Superintendent. Transportation must be provided by the guardian. Transfer privileges may be revoked due to poor attendance and/or behavior concerns.

## **WITHDRAWAL FROM SCHOOL**

Students should report to the office clerk as soon as they know they are moving. The student is to report to the office clerk on their last full day of school and pick up withdrawal forms. The forms are to be taken to each teacher during the school day and returned to the guidance office after his/her last period class. Students should return all school owned books and articles to the appropriate persons. When the withdrawal forms are completed and finalized by the office clerk, each

student will be given a copy for his/her new school. If a request is made in advance, the student's records may be copied for the parents to pick up or they may be mailed to the school where the student will be enrolling.

The school does not permit a sick student to leave the building without a parent or guardian consent. Please keep the student's medical and emergency contact information (found in on-line enrollment).

The school nurse can provide to a student with a documented medical need a pass for accommodations such as: elevator use, extended passing time, bathroom privileges, etc. These passes can only be issued when the parent/guardian has contacted the school nurse and appropriate documentation has been obtained.

### **IMMUNIZATION REQUIREMENTS**

This must be provided by the child's physician, the health department, or any other form of official documentation. The *record* must show the child has received these immunizations, and ***be considered fully vaccinated as set forth by the State of Indiana***, against the following:

### Required and Recommended School Immunizations

Your child will not be permitted to attend school without providing verification of required immunizations or a Religious Objection letter.

Your child's attendance in school is very important to all of us. Please contact your child's school health office to discuss how this interruption of your child's education can be prevented. Failure to address this problem in a timely manner may be deemed child neglect. School Attendance Protocol will apply.

This action is necessary and taken under the terms of Indiana Code 20-34-4-5, which states:

- (a) "Each school shall require the parent of a student who has enrolled in the school to furnish no later than the first day of school attendance, proof of the student's immunization status, either as a written document from the health care provider who administered the immunization or documentation provided from the state immunization data registry.
- (b) The statement must show, except for a student to whom I.C. 20-34-3-2 or I.C. 20-34-3-3 applies, that the student has been immunized as required under Section 2 of this chapter. The statement must include the student's date of birth and the date of each immunization.
- (c) A student may not be permitted to attend school beyond the first day of school without furnishing the documentation described in subsections (a) and (b) unless:
  - a. The school gives the parent of the student a waiver; or
  - b. The local health department or health care provider determines that the student's immunization schedule has been delayed due to extreme circumstances and that the required immunizations will not be completed before the first day of school.

The waiver referred to in subdivision (a) may not be granted for a period that exceeds twenty (20) school days. If subdivision (b) applies, the parent of the student shall furnish the written statement and a time schedule, approved by a health care provider who is authorized to administer the immunizations or the local health department, for the completion of the remainder of the immunizations."

### MEDICATION

It is school board policy that prescription medications and/or over-the-counter medications will not be administered by school personnel unless detailed guidelines are followed. (This includes cough medicine, aspirin, or other medications frequently used in the home by parents). In order for school personnel to administer medication:

- The following form must be completed in detail by the parent/guardian and signed by the prescribing healthcare provider **each school year**: *Permission Form for Medication During School Day #5330.1 or #5330.2*. These forms can be obtained in the health office or on the website.
- Prescription medication **must** be in the original prescription bottle and over-the-counter medication must also be in the original container and labeled with the student's name.
- At the end of the school year, any remaining medication must be picked up by the parent/guardian, or it will be destroyed.
- Special circumstances may cause need for a student to carry medication on them. Please speak to the school health office staff in this situation.

**Medication Forms:** All medication must be brought to the (front/health) office and taken there. All medication, which includes over-the-counter, cough drops, and prescription medications, must have a written physician's order. "Administration of Medication" for #5114.2A must be signed by the parent/guardian. Students with a chronic disease or medical condition who must possess and self-administer medications during school hours must submit each school year a completed "Self-Administration of Medication" form #5141.2B.

## **PRIDE PROGRAM**

### **PRIDE Program**

The PRIDE program addresses common expectations (Persistence, Respect, Initiative, Dependability, and Efficiency) while also teaching social emotional learning skills. The PRIDE program encompasses the systems of routines and positive school culture practices that allows the main focus to be on literacy and numeracy in all content areas via expectations, culture and climate, restorative accountability, interventions, and partnerships. Teaching these expectations and measuring student performance will lead to strong employability skills and provide the data to determine each student's college and career readiness. Schools will incorporate PRIDE into their building level plan and matrices. Students will be recognized with a Work Ethics Certificate for mastery of CCR/PBIS/Work Ethic at grade 12.

### **RVMS PRIDE Program**

#### **Raider PRIDE Cards:**

An integral piece of the RVMS PRIDE system is the use of Raider PRIDE Cards. Students will receive a new stamp card at the beginning of each quarter. Students can earn stamps from any adult in the building as a reward for positive behavior. Many teachers use these in the classroom as well. This stamp card will also serve as their restroom/hall pass. Students will have 10 passes per quarter to the restroom for all classes. These stamps can be redeemed in many ways, with a brief description below:

#### **School Wide Redemption:**

- Random Redemptions  
*Items such as spirit wear, candy & drinks, etc.*
- Quarterly Reward Activities  
*Criteria for participation determined at the start of each quarter*
- Random Moments  
*Stamps for specific positive behaviors such as on-time to class and having materials ready*

**Classroom Redemption:**

In addition to the school wide rewards, every classroom teacher has posted both a list of ways to earn stamps in their class as well as opportunities to redeem stamps in their classroom.

River Valley Middle School implements the GCCS PRIDE initiative to help instill college and career readiness skills in our students. We focus on Persistence, Respectfulness, Initiative, Dependability, and Efficiency across our school every day.

- A student not passing all subjects is on academic probation. While on probation, the student must attend study table and the student may not compete in interscholastic competition. The probationary period lasts three weeks. If at the end of that time the student is passing the subject he/she failed, probation will be lifted.
- Initial eligibility for fall sports is dependent on a 7<sup>th</sup> & 8<sup>th</sup> grade student's grades from the last grading period (4<sup>th</sup> nine-week grading period) of the previous school year.

### **Other Guidelines**

- Students must be present the equivalent of a half day or four class periods of the school day to participate in an extra-curricular activity that day.

## **NATIONAL JUNIOR HONOR SOCIETY**

Membership in the National Junior Honor Society is by invitation only and is based on these five qualities: scholarship, service, leadership, citizenship, and character. To be eligible for consideration, a student must be in the seventh or eighth grade, be enrolled at the beginning of the school year and have completed at least one full semester at River Valley Middle School. Sixth graders are not eligible. A seventh or eighth grader must have a 3.6 (grades are not rounded) overall cumulative semester grade point average at the end of the 1<sup>st</sup> semester. If a student feels that he/she is eligible, an NJHS membership application should be completed and turned in no later than the end of the 3<sup>rd</sup> nine-week grading period. Once eligible scholastically, a faculty council then evaluates each student based on the criteria described in the National NJHS Handbook - service, leadership, citizenship, and character. Students selected are notified during a tapping ceremony which is held during a school assembly. Candidates are inducted to membership during an evening ceremony and must continue to meet requirements to maintain membership.

## **SPECTATOR GUIDELINES**

The purpose of the event is to enjoy extra-curricular activities. Your presence at the event is to give support and provide spirit for our students. This should always be done by positive comments. Avoid comments or gestures which are degrading to you and River Valley Middle School.

1. Although seats may not be reserved, please respect other people and avoid pushing, or moving people out of a seat.

2. Interfering with the visiting team or their fans in any way distracts from our position as a good host school. You are expected to stay in your seat and be a good spectator.
3. Everyone is expected to stand and be respectful during the playing of the National Anthem. Many people have given their lives so that we may live in a free society. You owe them your respect and attention for their sacrifices.
4. Please support our school in a positive and productive way with encouraging comments.

If you cannot follow these few simple guidelines, please stay home. Our student support must be positive and this is what we expect from you.

## **STUDENT ASSISTANCE PROGRAMS**

### **MENTAL HEALTH SERVICE PARTNERSHIPS:**

Greater Clark County Schools understand the critical role that mental health plays in the overall well-being and academic success of our students. As part of our commitment to fostering a supportive and nurturing environment, we have established partnerships with dedicated mental health providers. Wellstone Regional Hospital provides an immediate acute assessment if a student is in need of that critical care. Our partnership with Centerstone Mental Health

Services provides some limited school-based therapy sessions. Referrals for either partnership are made through the school at the request of staff and/or parent/guardian.

### **PARENT/TEACHER CONFERENCES**

If a parent/student wishes to confer with his/her instructors, conferences may be arranged before or after school. Students and parents are encouraged to talk with their teachers about the improvement of their classroom progress or any other problem which may be confronting them. Parents can call or e-mail the student's guidance counselors and/or teacher to arrange a conference. An attempt will be made to answer all questions in regarding to the educational progress of the student.

### **POWERSCHOOL PARENT PORTAL**

PowerSchool is the district's web-based student management system where student information is collected and stored.

The Parent Portal increases parent engagement and connects the parent/guardian to the classroom with easy visibility to grades, assignments, and progress. From the parent dashboard, parents have access to class schedules, assignments, grades, attendance and staff email. Parents can choose to have notifications emailed to them at regular intervals. All student information is delivered securely and can only be viewed by creating a parent account using the Access ID and Access Password supplied by the school.

Please note that at the beginning of each term, you may see zeros or extreme shifts in the class average of your child. When there are only one or two assignments in the gradebook, a low or high score can make a dramatic change in the overall grade average. This is common and will regulate as more assignments and/or assessments are added to PowerSchool. The gradebook instantly recalculates the overall grade as every assignment is entered.

If you need assistance in setting up your parent account or in accessing your current account, please contact the school office.

## **STUDENT CONDUCT AND SCHOOL SAFETY**

## **SAFETY PROCEDURES**

In accordance with state laws and Greater Clark County School’s Emergency Preparedness Plan, classes at our school will discuss emergencies and will participate in periodic safety drills. The purpose of each drill is to teach students how to respond quickly and safely in the event of an emergency. Emergency information is located in each room in the building. Evacuation procedures are also posted throughout the school. The three types of required drills are fire, tornado, and man-made disaster. Our district has chosen to adopt the Standard Response Protocols to utilize for our safety plan.

The Standard Response Protocol (SRP) is based on the response to any given situation not on individual scenarios. Like the Incident Command System (ICS), SRP demands a specific vocabulary but also allows for great flexibility. The premise is simple - these five specific actions that can be performed during an incident. When communicating these, the

action is labeled with a "Term of Art" and is then followed by a "Directive." Execution of the action is performed by active participants.

These emergency drills will be done under the direction of the principal with records of these drills being kept in the principal's office. Drills are taken very seriously. Misbehavior will result in consequences. One day the drill may not be a drill, but a real emergency. We must be prepared. Any and all persons in the building must participate in the drills when they are conducted. During severe weather, we WILL stay tuned to the National Weather Service for up-to-the-minute reports. If severe weather occurs at dismissal time, we will hold the buses until the transportation department deems that it is safe for children to be transported home. Parents may be asked to wait until severe weather passes before transporting their child home in a car. This is a safety precaution for you and our students.

**Secure** is followed by the Directive: "**Get Inside. Lock Outside Doors**" and is the protocol used to safeguard people within the building.

**Hold** is followed by the Directive: "**In Your Room or Area**" and is the protocol used when hallways need to be kept clear of occupants.

**Lockdown** is followed by "**Locks, Lights, Out of Sight**" and is the protocol used to secure individual rooms and keep occupants quiet and in place.

**Evacuate** and may be followed by a location, and is used to move people from one location to a different location in or out of the building.

**Shelter** State the **Hazard** and **Safety Strategy** for group and self protection.

## **SCHOOL CLOSING INFORMATION**

Announcements concerning school closing because of weather or other emergencies will be carried on all local television stations along with the Greater Clark County Schools website [www.gccschools.com](http://www.gccschools.com).

## **SECURITY SYSTEMS/SURVEILLANCE**

Video monitoring equipment is in use at River Valley Middle School to monitor student behavior and the property of Greater Clark County schools. See GCCS policy 7440.01. Any tampering with electronic security or safety devices is subject to disciplinary action.

## **VISITORS AND SCHOOL SECURITY**

All visitors should report to the main office. For the protection of our students, Greater Clark County Schools uses a visitor management software known as Raptor. When visiting a GCCS building, visitors must present their driver's license to a designated staff member. The Raptor system will perform a quick check on the visitor to identify individuals who are on a list of offenders not allowed to have contact with our student body. Once the visitor is approved, the office staff will issue a visitor's ID badge. All visitors must wear a visitor's badge. Students who are from other schools will not be allowed to visit.

All doors into the school will be locked and secured as soon as first period begins. Any person who enters the building after that time will be REQUIRED to enter at the main entrance outside of the office. Students who intentionally "block open" a door to allow other students to enter the building are risking the security of River Valley School and will be subject to school discipline including suspension or expulsion.

## **TECHNOLOGY & CHROMEBOOK INFORMATION**

### **CHROMEBOOKS**

Students are assigned a Chromebook by the school upon completed registration through Infosnap. The condition of each Chromebook is determined when issued and students are expected to return them in good condition. Students will be charged a fee for a damaged or lost Chromebook. If a Chromebook is misplaced during the school year, payment must be made before a new one is issued. If payment cannot be made, students will be issued a Day User Chromebook until it is replaced. Students will be charged for any lost or damaged Chromebook at the end of the school year.

### **Chromebook PRIDE:**

I will:

- Use digital devices, networks, and software in school for educational purposes and activities.

### **COMPUTER/NETWORK POLICY**

Every student is required to abide by the Greater Clark County Schools Acceptable Use policy in regards to computers and other devices that are property of GCCS.

## **TRANSPORTATION INFORMATION**

### **BUS REGULATIONS**

Riding the school bus is a privilege. Improper conduct at the bus stop or on the buses may result in that privilege being denied. Only regularly scheduled bus students are to ride the school buses.

While on the bus, students should keep hands and head inside the bus at all times. Horseplay is not permitted around or on the school bus. Bus riders are not permitted to leave their seats while the bus is in motion. Students who are transported to school are NOT permitted to leave the school property once they get off the bus.

Misconduct reports from bus drivers may result in a student being denied bus-riding privileges from one to five days (or longer, depending upon the number of bus conduct reports a student acquires).

### **Transportation Guidelines and Procedures:**

1. Transportation eligibility is determined by a student's home address. GCCS does not allow alternating addresses during the week. Students are allowed one pick up location and one drop off location every day. In other words, the morning address and the afternoon address can be different, but both addresses must be within the assigned school boundary and must be consistent each day.

2. Pre-school and special education students must have a designated, responsible greeter at the stop when the bus arrives to drop off. If the greeter is not at the stop when the bus arrives, the child will be taken back to the school or to the nearest police department as a safe haven. Repeated failure to greet students at the stop may result in the loss of transportation. **Note: all other students, Kindergarten to 12<sup>th</sup> grade, will be dropped at their stop; it is the responsibility of the parent/guardian to decide if they need to greet their child(ren).**
3. Students must ride on their assigned bus, to their assigned stop. All stops are assigned by the Director of Transportation or designee. Bus drivers are not authorized to assign or change bus stops. **Students are prohibited from riding to (or from) another student's home/ bus stop. Parents must make alternative arrangements for transportation if an emergency arises.**
4. For safety reasons, students must be at their assigned stop location five (5) minutes before the scheduled pickup time.
5. Non-students, including parents, are not permitted on a school bus without explicit consent from a school official. Entering without permission constitutes criminal trespass, a Level 6 Felony. (I.C. 35-43-2-2).
6. Bus stop change requests or new students should be directed to the transportation office by using the GCCS website: <https://www.gccschools.com/home/our-district/departments/transportation/>. For new or changed assignments, an online transportation form must be filled out and the transportation request may take up to 3 school days.
7. If you reside in a No Transportation Zone (NTZ), GCCS will not provide transportation. If you reside in a Limited Transportation Zone (LTZ), GCCS will provide limited pick up points.

### **EDUCATIONAL FIELD TRIPS**

School organizations or classes occasionally sponsor field trips. The tour sponsor will require written consent by the student's parents or guardians. Permission slips will be sent home with students a week or two prior to the field trip. These forms will indicate the location, date and possible cost of the field trip. No student is denied the right to attend a regular school day field trip due to financial hardship. The teachers and/or the principal handle these cases on an individual basis. Please notify the main office if you are unable to pay the field trip cost.

It is expected that reasonable care and precaution be taken to ensure the safety of all concerned on school trips. However, in the event of an accident, Greater Clark County Schools, River Valley Middle School, nor any employees or volunteers may be held responsible or liable unless negligence is involved.

When students go on trips they represent River Valley Middle School. Students are expected to dress appropriately. Students who exhibit severe chronic behavior problems may not be allowed to attend field trips.

## **GREATER CLARK COUNTY SCHOOLS STUDENT RIGHTS AND RESPONSIBILITIES**

Now that you have read the RVMS Student Handbook, we encourage you to continue reading and become familiar with the rights and responsibilities of your student. The Greater Clark County Schools Students Rights and Responsibilities Handbook provides additional expectations not specifically covered in the RVMS student handbook. In the event there is a discrepancy between language contained in this student handbook and language contained in Indiana law, the state law and/or GCCS Policy language controls.
